FY 2024 HUD CoC Program/SCEH New and Renewal Project Application RFP

FY 2024 and FY 2025 *CoC* Program NOFO covers 2 years of funding. The *CoC* is only required to submit one *CoC* application that will be applicable to the FY 2024 and FY 2025 funds. Projects awarded FY 2024 funds may be eligible for FY 2025 funds using their FY 2024 application submission and are not required to apply for renewal in FY 2025.

This RFP pertains to FY 2024 new and renewal project applications. A separate RFP will be posted in 2025 for FY 2025 new project applications.

The *CoC* Consolidated Application consists of the FY 2024 -FY 2025 CoC Application, the FY 2024 Priority Project Listing, the FY 2024 New and Renewal Project Applications, as well as any required forms and attachments. The SCEH Grant and Project Monitoring and Development Committees provide support for this process, and our *CoC* Collaborative Applicant, the City of Sioux City, submits the application as recommended by the SCEH Project Monitoring and Development Committee and approved by the SCEH Board of Directors to HUD.

New Projects may be created through reallocation, DV Bonus, CoC Bonus, or a combination of reallocation and bonus; and *CoC* Planning.

New Projects created through reallocation or *CoC* bonus are limited to the following types of projects:

- New PH-PSH projects must serve persons eligible to be served by DedicatedPLUS projects and all units funded by the project must be used to serve program participants who meet the qualifications for DedicatedPLUS **OR** persons experiencing chronic homelessness at the time they initially enroll in the project.
- New PH-RRH, Joint TH and PH-RRH, and SSO-CE projects may serve persons who qualify as homeless under paragraphs (1), (2), or (4) of HUD's Homeless Definition.
- New Dedicated Homeless Management Information System (HMIS) for the costs that can only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant, and that is listed on the HMIS Lead form in the *CoC* Applicant profile in *e-snaps*.
- SSO-CE project to develop or operate a centralized or coordinated assessment system.

New Projects created through the DV Bonus are limited to the following types of projects:

- PH-RRH projects dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that are defined as homeless at 24 CFR 578.3.
- Joint TH and PH-RRH component projects dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that are defined at 24 CFR 578.3.
- SSO – Coordinated Entry project to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking.
- DV Bonus PH-RRH and Joint TH/PH-RRH projects must have a budget of at least $50,000

Expansion Project – see pp. 43-45 of NOFO

- A new expansion project created through reallocation, *CoC* bonus, or the DV Bonus processes to expand existing projects that will increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-CE projects.
- If applying for a new project for the purposes of expanding an eligible renewal in the *CoC* Program, the applicant must:
  - Enter the renewal grant number of the project being expanded on the new project application
  - Indicate how the new projects will expand units, beds, services, persons served, or services provided to existing program participants, or in the case of HMIS or SSO-CE projects, how the current activities will be expanded for the *CoC*'s geographic area
  - Ensure the funding request for the expansion grant is within the funding parameters allowed under reallocation, *CoC* Bonus, or DV Bonus available amounts

Outside of reallocation, *CoC* Bonus, DV Bonus, and *CoC* Planning, there are no new funds available for new projects.

While HUD's final CoC Program Application deadline is Wednesday, October 30, 2024, the SCEH's local deadline for all New and Renewal Project Applications and required attachments and supplemental documentation is **5:00 p.m., Friday, September 20, 2024.** This will ensure the Project Monitoring and Development Committee has enough time to review, prioritize, and rank the project applications and notify the project applicants before submitting the entire CoC Program Application to HUD by the October 30, 2024 deadline.

Funding amounts – Incomplete as HUD has not yet finalized all FY 24-FY 25 documents:
SCEH's Preliminary Pro Rata Need (PPRN) = $
SCEH's Annual Renewal Demand (ARD) = $839,965 (amount needed for all current projects to renew for an additional year, pending any ineligible renewal projects)
SCEH's Final Pro-Rata Need (FPRN) = $ [higher of PPRN or ARD (the base for the maximum award amount for projects within the CoC)]
Tier 1 project ranking amount = $755,969 (90% of ARD)
Tier 2 project ranking amount = $ (Difference between Tier 1 and the maximum amount of renewal, reallocation, and CoC Bonus funds that a CoC can apply for)
SCEH's Planning Funds = $ (5% of FPRN)
SCEH's DV Bonus = $ (10% of FPRN)
SCEH's CoC Bonus = $ (7% of FPRN)

This should be the first 6 digits of the expiring grant number as identified on the GIW (i.e. the first 6 numbers of the 2024-2025 grant number on the Grant Award letter dated February/March 2024. If you have questions, contact Susan McGuire at susan.mcguire@centerforsiouxland.org or 712-252-1861 x107.

6) Identify your sources of match, and plan to obtain MOU's and commitment letters for housing/healthcare leverage, cash, and/or in-kind match. **_MOU's and letters must be dated between May 1, 2024 and October 30, 2024._** When trying to secure match, cash or in-kind, please consider all sources of funding for your program as well as collaborating agencies/partners such as SCHC, SMHC, Mercy Medical, local businesses, etc. and ask them to provide a letter committing funds or to sign an MOU in the case of in-kind contributions. Susan McGuire can supply samples of such letters if needed.

9) Make sure your SAM Registration is active OR Register in the System for Award Management (SAM) system.

10) Make sure your organization has a valid Unique Entity Identifier (UEI) number, obtained at SAM.gov w/ your SAM registration.

11) For questions, assistance, and guidance with a new or renewal project or with E-Snaps, contact Susan McGuire, the SCEH Grant Committee Chairperson, at susan.mcguire@centerforsiouxland.org or 712-252-1861 x107.

CoC Reallocation Plan
Siouxland Coalition to End Homelessness

Voluntary Reallocation: An applicant may voluntarily choose to reallocate funds from an existing renewal project to free additional funds for one or more new projects.
- o The applicant may choose to reallocate all or a portion of their renewal funds to create a new project(s).

- o All funds freed through voluntary reallocation may be made available for one or more new projects. If no new project applications are submitted, funds will remain available for the original renewal projects.

If the same applicant wishes to apply for a new project using those same funds, the following parameters apply:
- o The applicant will be required to submit a new project application in eSnaps following all usual HUD requirements for new projects.

- o The Siouxland Coalition to End Homelessness retains final approval for the new project to be included in the CoC Consolidated Application to HUD.

- o If, for any reason, the Siouxland Coalition to End Homelessness does not approve the new project, the same applicant may instead submit the original renewal project. In this way, the applicant choosing to voluntarily reallocate to a new project avoids the risk that the new project will be rejected by the Siouxland Coalition to End Homelessness and funds lost as a result.

- o All projects are subject to final consideration by HUD for funding. Approval by the Siouxland Coalition to End Homelessness does not guarantee that a project will be funded by HUD.

- o The applicant may also choose to compete for a portion or all of the funds available to the CoC through bonus funds. In this case, the applicant would be subject to competitive review along with other new project applications. Any additional funding will depend on the scoring. If the applicant does not score well enough to be competitive for additional funding, it may still submit the new project using just their own voluntarily reallocated funds.

If another applicant wishes to apply for a new project using the reallocated funds, the following parameters apply:
- o The applicant will be required to submit a new project application in eSnaps following all usual HUD requirements for new projects.

- o The Siouxland Coalition to End Homelessness retains final approval for the new project to be included in the CoC Consolidated Application to HUD.

- o All projects are subject to final consideration by HUD for funding. Approval by the Siouxland Coalition to End Homelessness does not guarantee that a project will be funded by HUD.

Voluntary Reallocation Project(s) Impacted:
Project Name: **Amount Reallocated:**

Total Reallocated:

7/2019; rev. 9/2021

Involuntary Reallocation: The SCEH may reallocate funds in whole or in part from eligible low scoring or lower performing renewal projects to create one or more new projects without decreasing the CoC's ARD (Annual Renewal Demand).

- o Projects with recaptured funds or budget amendments reallocating funding from one BLI to another changing the priority/focus of the original funding (i.e. from rental assistance to operations) may be subject to having the amount of recaptured or budget amendment funds reallocated to new projects.

  o Funds from low/the lowest scoring project(s) and/or from lower performing projects may be involuntarily reallocated to higher scoring new projects.

  O Project applicants that are subject to partial involuntary reallocation must develop a plan to continue with their renewal project(s) with the reduced level of funding. This includes HUD contract compliance for numbers of persons served and the types of services provided. It may be possible to seek a contract amendment from HUD for some changes. Applicants should contact their HUD representative to discuss any options for amendment. If the reduction in funding will result in loss of assistance for persons currently served by the program, the applicant must develop a transition plan for these persons. Any concerns should be brought to the CoC.

  O If there are no applications for new projects, funds will remain available for the original renewal projects.

Involuntary Reallocation Project(s) Impacted:
Project Name: **Amount Reallocated:**

                                        Total Reallocated:

- Permanent Housing – Permanent Supportive Housing (PH-PSH) projects
- Permanent Housing – Rapid Rehousing (PH-RRH) projects
- Joint TH and PH-RRH component projects
- Dedicated HMIS project for the costs at 24 CFR578.37(a)(4) that can only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant and is listed on the HMIS Lead form in the CoC Applicant Profile in *e-snaps*.
- Supportive Services Only Coordinated Entry (SSO-CE) project to develop or operate a centralized or coordinated assessment system.
