

**HMIS – ICA Self-Review** - Please respond to the following questions and submit your responses to Wendy Jackson, the SCEH Project Monitoring Committee Chair, by 5:00 p.m. on Wednesday, October 6, 2021.

**Training –**

1. How do you feel you've performed in providing adequate training and responding to the needs of the agencies when it comes to completing training and becoming licensed HMIS users?
2. In an average work week, what is the average number of hours spent giving training or technical support to Siouxland Agencies?
3. What types of training have been provided over the past 12 months (in-person, virtual, etc.)? And what, do you estimate, percent of each type of training was provided?
4. What barriers to training have you encountered?
5. What opportunities for training do you see for the future?

**Data Collection -**

1. What efforts did you take over the past 12 months to improve data collection and reporting by funded agencies? (including improving quality and timeliness)
2. What efforts have you taken over the past 12 months to engage non-funded agencies in collecting and reporting data? (including increasing bed coverage rates in HMIS)
3. What efforts have you taken over the past 12 months to improve the CoC's SPMs?
4. What barriers to data collection do you encounter?
5. What opportunities to data collection do you see for the future?

**Reporting –**

1. What efforts have you taken to ensure accurate, complete, and timely submission of CoC - and HUD-required reports?
2. What procedures do you have in place to ensure that data elements meet HUD requirements?
3. What efforts have you made to ensure that CoC-level data is readily available and accessible by CoC agencies and stakeholders in order to analyze Siouxland's homeless system and efforts to end homelessness?
4. What barriers to reporting have you encountered?
5. What opportunities to reporting do you see for the future?

Thank you for your time. Please take this opportunity to list your successes, share any other points on how you're uniquely qualified to serve the SCEH and the Siouxland Homeless population, or address any points that have not been addressed above.
