# Aqua Dive and Watersports

Where family, friends, and fun come together.

The **PADI Divemaster Certification** Course is your first step in becoming a professional. Be a leader who mentors and motivates others, and become a role model to divers around the world. Working closely with a PADI Instructor, you'll fine-tune your dive skills, like perfecting the effortless hover, and refine your rescue skills so you anticipate and easily solve common problems. You will be working through knowledge development sessions, water skills, exercises and workshops, and hands-on practical assessment, you will also develop the skills to organize and direct a variety of scuba diving activities

## Topics and practical workshops include:

- The role and characteristics of the PADI Divemaster.
- Supervising dive activities and assisting with student divers.
- Diver safety and risk management.
- Divemaster conducted programs and specialized skills.
- Business of diving and your career.
- Awareness of the dive environment.
- Dive setup and management.
- Mapping an open water site.
- Conducting dive briefings.
- Organizing a search and recovery project and a deep dive.
- Conducting a scuba review and skin diver course.
- Assisting with Discover Scuba Diving and leading Discover Local Diving programs.

## Prerequisites:

PADI Rescue Divers who are at least 18 years old.

Emergency First Response Primary and Secondary Care (CPR and First Aid) training within the past 24 months.

A medical statement signed by a physician within the last 12 months.

At least 40 logged dives to begin the course and 60 dives to earn certification.

## PADI Divemaster \$799

As Aqua Dive and Watersports as your premier training center for your Divemaster program we will make sure your not only are learning from the best instructors, but that you are also coming away feeling confident in your abilities as a PADI professional allowing you to Divemaster either in our facility or with any other PADI facility.

## What we offer in the Divemaster program:

- PADI Divemaster eLearning code. Work through eight knowledge development sections using a web-based system that lets you learn at your own pace. You have access to an online version of the Divemaster Manual for reference during and after the course.
- Dive Theory eLearning code.
- Divemaster crewpack.
- In-class learning.
- Pool sessions.
- Open Water workshops.
- Hands-on assessments.

As a dive professional, you'll want to have all your basic scuba equipment, including a dive computer, a dive knife, and at least two surface signaling devices. During practical skills exercises, like underwater mapping and search and recovery, you'll use a compass, floats, marker buoys, lift bags and slates. Your PADI Instructor may suggest additional gear that will be useful throughout your diving career.
