## From your President

As we move into December, I want to take a moment to reflect and give thanks. I am truly honored and grateful for the opportunity to serve as President of the Wolf River Builders Association again for the upcoming year. It's a privilege to

represent such a hardworking and talented group of professionals who continue to build and strengthen our communities.

Looking ahead, one of my main goals for this term is to connect personally with each of our members. Every business has its own challenges, strengths, and

ambitions—and I want to hear yours. By understanding your specific needs and interests, we can better tailor our association's efforts to help every member grow, collaborate, and succeed. Expect a call or visit as we approach the new year—I'm excited to have those conversations and build a stronger association together.

I also want to celebrate and highlight what you are doing in the community. Please share your:

- Current jobs and projects
- Community service or volunteer efforts
- Employee training, certifications, safety milestones, and team achievements

Send photos or short videos with a brief description to [lakeviewrevival@gmail.com](mailto:lakeviewrevival@gmail.com) so we can feature member stories and inspire one another and be sure to tag the WRBA in your own facebook and social media posts.

Finally, I extend a sincere thanks to our dedicated board members who were recently sworn into their Officer roles for the upcoming year. Your commitment to serve and lead alongside me is what keeps our organization moving forward. Together, we'll continue to provide value to our members, promote our local building industry, and ensure the WRBA remains a vital part of our community.

Scholarship Raffle tickets are available at select locations or reach out to myself or a fellow board member to purchase. If you'd be willing to lead the efforts and help fundraise we can drop tickets off at your location. Thank you all for your trust, support, and continued involvement as we head into the holiday season.

Bryce Szymanski  
President, Wolf River Builders Association

## Progressive Attendance Drawing

The name drawn for the \$80 pot at the October Installation meeting was Maule Construction. A representative was in attendance to claim the prize, so the pot at the December meeting will reset to \$20.

Unfamiliar with the "Progressive" Attendance Drawing"? For each General Membership Meeting, each member will have a chip with a number that corresponds to their name placed in the bucket, whether the member is in attendance or not.

If present and your name (#) is drawn, you will win the pot! If you are not present and your name is drawn, the pot will grow by \$20 for the next meeting or Hard Hat Happy Hour event. Minimum pot will always be \$20. It costs you nothing, but you could be a winner if you're there!

**Make sure you are there to win if your name (#) is called!**

## Online Education Courses

The WB Foundation is proud to offer [continuing education courses](#) developed in part by WBA.

There are officially three “new-ish” 1-credit courses available to members, in addition to the 4-credit classes that are offered.

These courses are from the 2023 Trends in Housing Conference. Those who attended in person and received credit will not be able to receive credit again, however those who didn’t attend will hopefully find great value in them. Members who haven’t already taken the 4-credit course can still take it for free with the code FOUR, while the price for non-members has increased to \$125.

Members can receive the remaining three courses for a \$10 discount per course by using the codes ADAPT, LEGAL, and UNIVERSAL for the respective courses. Non-members can take those courses for \$49 each.

**Four Credit Course:** This course covers construction lien law, dispute resolution & contracts, building codes, and risk management and liability to satisfy the recent 4-credit requirement on these topics.

**Adapting to Market Trends: A How-To For Housing Trades (1 credit):** Taught by the Home Improvement Research Institute, this course covers trend topics that impact the industry such as interest rates, psychological factors that influences consumer behavior and sentiment, project activity, mortgage rates, and challenges for the building industry.

**Legal Pitfalls in the Building Industry (1 credit):** Taught by Robert Procter of Axley Attorneys, Robert goes over in-depth some of the most common and trouble legal occurrences in the building industry, such as: how to avoid litigation, problems with contracts and how to mitigate them, how builders can and should protect themselves, warranties, construction standards, and more.

**Universal Design (1 credit):** This course covers a range of topics on how to build homes for people with diverse abilities. Topics such as contrasting colors, mechanisms with low physical effort and other key mobility features, along with the Fair Housing Act is covered.

**Promo Codes for Members:** Upon selecting your desired courses using the button below,

please enter the following codes at checkout for the respective classes you are taking.

**Four Credit Course: FOUR**

**Adapting to Market Trends: ADAPT**

**Legal Pitfalls in the Building Industry: LEGAL**

**Universal Design: UNIVERSAL**

Using these codes, members will be able to receive the 4-credit course for free, and the remaining 1-credit courses for \$10 off each, for a total of \$39/class.

Click the **REGISTER** button or visit <https://wisconsinbuildersassociation.growthzoneapp.com/ap/Events/Register/gLW88V9r?mode=Attendee>. Select your desired courses and enter promo codes for the applicable courses. Please ensure you enter your DCQ number at this time as well. Within 48 hours of checking out, you will receive an email from On3 with instructions on how to take the course - be sure to check your spam folder!

Upon receiving this email and creating your login, you will have 30 days to complete the course. Upon passing the course (70% required), WBA will submit your credits to DSPS.
