

J Stephen Sadler

Author Speaker

Best Selling Author, Speaker and CEO/Executive Coach of the Techmar Group, J Stephen Sadler assists organizations and families in facilitating organizational and familial change through personality awareness. His DISCOVERY seminars awaken participants to the discovery of their own personality types as well as the personalities of the people they work with, sell to, support and live with. Participants gain not only an awareness of their own personality traits but are also provided with invaluable tools on how best to identify and harmonize with those they interact with on a day-to-day basis.
