

The schedule below is for general reference purposes only.

The **Total Assessment** is the amount that is shown on the County Property Tax bill received in **November, 2020**.

Debt represents the amount of the annual debt payment that was billed on the November 2019 County Property Tax Bill. This goes directly to pay down bonds used to construct District infrastructure.

O&M is for the day to day Operations & Maintenance of the CDD including, landscape maintenance and amenities.

Lots platted after 1/1/20 are not yet on the County Property Tax Rolls and are not shown here.

The **Approximate Debt Balance** represents the approximate amount remaining on the debt portion of the CDD assessment. This is not intended to be an actual amount for purposes of paying off or paying down the debt portion of the CDD assessment or for any legal purposes. If you require an exact number for purposes of paying off the debt, please request an estoppel letter from david@nocatee.com. There is a \$125 fee for each estoppel letter. The Approximate Debt Balance assumes the November 2020 property tax bill is paid.
