

## A Word From Pastor Tim: November Sightings

God be with you!

This weekend, we remember those who have gone before us by lighting a candle. This lighting is not just for memory but a reminder of the resurrection of Christ. He is the one who died and rose again – so too all who have been baptized. Paul tells us in Romans, *“For if we have been united with him in a death like his, we will certainly be united with him in a resurrection like his. We know that our old self was crucified with him so that the body of sin might be destroyed, and we might no longer be enslaved to sin. For whoever has died is freed from sin. But if we have died with Christ, we believe that we will also live with him. We know that Christ, being raised from the dead, will never die again; death no longer has dominion over him. The death he died, he died to sin, once for all; but the life he lives, he lives to God. So you also must consider yourselves dead to sin and alive to God in Christ Jesus.”* We light a candle in memory but also in the loving hope of resurrection. We are alive to God!

Secondly, thank you to all who assisted in making our Lutefisk meal happen. It really is a miracle of this community of Faith working together for the good of all! It was a great meal along with tremendous service. Blessings to all who helped behind the scenes both before and after the meal. There was a great response from our neighbors and my own family loved the meal! That is a tasty word!

As I listened to the confirmands confess their faith on Sunday, I was reminded of how the community together carries the faith. They were too quiet, so I made them start over. We practiced but until you confess publicly in front of others it is hard to know how hard it is. Both the community that confesses and the individual must work on their faith – so both will be strong when the time comes. *“These are the things you must insist on and teach. Let no one despise your youth, but set the believers an example in speech and conduct, in love, in faith, in purity. Until I arrive, give attention to the public reading of scripture, to exhorting, to teaching. Do not neglect the gift that is in you, which was given to you through prophecy with the laying on of hands by the council of elders. Put these things into practice, devote yourself to them, so that all may see your progress.”* (1Timothy 4)

Lastly, please join me in our Thanksgiving Eve service at Peace Lutheran this year. Churches working together and sharing is a sign – “the kingdom of God is near!”

Blessings,  
Pastor Tim (All Saints 2024)

## A Word from Pastor Katherine: LOST AND FOUND

God has blessed all of humankind with more than enough. Yet God continually surprises us with acts of generosity and moments of compassion that reveal how all are blessed, all are claimed, and all are found in and by God.

Unusually harsh one moment, unusually caring the next, Bobby was a fixture in the neighborhood around the church building. Like a bee, ever hovering, never quite landing, he kept an eye on folks living at the edge of the community. Occasionally he would land in the pastor's office for a visit and a question. "Do you know Abbie could use some groceries?" "Could you loan me twenty dollars for a week?" "Did you know Matthew was laid off again?" "Brittany doesn't go to church. Will you talk to her about baptizing her baby?" "Could I get a ride to the doctor?"

One winter day at the back edge of a snowstorm, Bobby walked down the middle of the street. The wind was still blowing as the pastor stopped, rolled down the car window, and said, "Hop in." Bobby said, "No, I'm walking. But wait, I found two dollars in the street. It isn't mine. Put it in the collection for me. Let God know it's from me." He pushed the two soggy bills through the car window. On another day, without thought of knocking, he walked into the pastor's office and slapped a twenty-dollar bill on the desk. He found it, he said, while taking a shortcut behind the church. As before, he added, "It isn't mine. Will you put it in the collection?"

Months later, still a young man, Bobby died quietly in hospice care. There was no immediate family to claim his body. Two local pastors officiated at his memorial. His girlfriend, her brother, a hospice nurse, two neighbors, and several church members recounted moments of unusual harshness and unusual caring. And then they sang "Amazing Grace." And in a moment of quiet, one could imagine God saying, "He is mine."

## The 2024 Lutefisk Opener was a great success!

Many were the compliments but the most important were the smiles on everyone's faces, the laughter as acquaintances were renewed, the good work ethic from the youth participants and the requests for seconds. Together we sold 518 tickets and, including the youth, are confident that we served in excess of 550 meals and lots of seconds. What a great day. **THANK YOU!!**

Mange takk from the entire Lutefisk Team!
