

As a deer longs for flowing streams, so my soul longs for you, O God. My soul thirsts for God, for the living God.
Psalm 42:1-2

As I share these thoughts, the temperature in Spicer has just hit 90 degrees and the humidity is for lack of a better word, tropical. It is one of those days when the best sort of relief is to soak your feet in a cool lake or stream.

There are times in our journey of faith when we may feel similar to how we feel on hot muggy days. Our faith can seem tired and listless, worn down by troubles and worries which we cannot control. In times like these, we find ourselves longing for God and thirsting for the refreshment of God's presence in our lives. We may thirst to be understood, even as we thirst to understand. We may thirst to be forgiven, even as others seek forgiveness from us. We may thirst to belong, even when we find ourselves closing the doors to others.

So what should we do with our thirsty souls and our longing for spiritual refreshment? I believe the first thing we should do is listen to God's invitation for us to come to God. Isaiah proclaims these words of God to the spiritually parched exiles. "Ho, everyone who thirsts, come to the waters; and you that have no money, come, buy and eat! Come, buy wine and milk without money and without price." (Isaiah 55:1) This invitation is extended to all who thirst, all who long for understanding, mercy, forgiveness, and grace. God promises to be an everlasting fountain, flowing with abundant life and joy. And all we have to do is come to the waters of life, to be refreshed and renewed.

The gospel writer John tells the story of the Samaritan woman who comes to the well in the heat of the day to draw water. She happened to encounter Jesus at that well and he promised her that he would give her water that would never leave her thirsty. "The water that I will give will become in them a spring of water gushing up to eternal life." (John 4:14) This is what happens when we are drawn to the refreshing grace of Christ. Our thirsts are satisfied, our souls are refreshed. It is like a cool dip in the lake on a hot day.

Updates in your family?

Please notify the church office of any recent changes including your preferred contact phone and e-mail to office@faithspicer.org or call Joy White at 796.2522.

Where do you go to be refreshed by the water of life? For me, I like to head over to the Bible Camp and hear the songs of faith sung by kids and counselors. I also like to gather with the family of Faith at Camp House in Brimson, where our spirits are refreshed in God's creation and our souls are renewed in fellowship and worship. And still, other times I simply long to sit in the silence of an empty sanctuary and float in the grace of God.

During these long warm days of summer, I pray that you will find rest and refreshment in the goodness and grace of God.

Yours In Christ,
Pastor Todd

Council has established a financial team (Chad H., Travis A., and Nate G.) to assist the treasurer. This team will focus on reviewing monthly financial statements along with the treasurer to monitor mission plan status and provide feedback at council meetings.

Council, along with Praise + Play director Patsy, is reviewing our Praise + Play Pre-school mission and opportunities to expand the mission to better serve our community.

Jeff Johnson has been doing an excellent job volunteering as the interim property manager. However, Jeff is ready to focus his energy elsewhere and the Council has begun reviewing the vision for the FLC property manager.

Hello from the Property Team

Can you believe that summer is already 2/3 over. The lawns and flowers look good thanks to all the volunteers (you know who you are). Also take a look at the area behind the choir. Thanks Scott Guptill for fixing sheet rock nicks and repainting and the Parish Arts Team for the nice color selection. Looks outstanding. We continue to embrace the volunteer teams as much as we can. While we don't want to take profits from our local contractors we also try to be good stewards of your monetary contributions. One more thing that it would be nice would be to have a small team of volunteers for minor plumbing repairs. If you fit this bill please let the office know and we will keep your name on a list to fix a leaky sink or toilet etc. There have been some questions about the tasks on the opportunity to serve cards. We need to install a couple of short sections of drainage tile to prevent some erosion behind the church. It will take some hand shovel work but it is in the shade. We are also looking for some plastic pallets to restack concrete blocks and bricks along with a banding machine so we can organize the material along the woods better. If you have access to either item please let me know. The property team is also beginning to work on our budget for the coming 3 years. This will take a bit of time to work through but it is an important part of properly managing our church facility and grounds. Thanks to all our volunteers and donations. They always help. Till next month.

Columbarium Committee

Hello! We want to remind everyone, members and non members alike, that space is available in the columbarium. No one wants to talk about death and dying, least of all me, but it is comforting to know that if you choose cremation as an alternative, there is a very nice resting place on your church grounds where you or your loved one can be inurned and honored. One only has to walk on the raised seating area right after a mowing to recognize how peaceful it is. I would encourage you to contact myself or Gary Lagerstedt with questions you may have or to purchase a niche. In case you have forgotten the niches cost \$1600 with space for 2 urns. If you would like to help with maintenance please let us know. Likewise if you are out there and see a wayward thistle poking its head up in the flower beds it is ok to remove it.

Faith Lutheran Computer Re-boot

Our computers are getting a bit old and out of date. The Faith Mission Resource Team invites you to help us out with our Computer Re-boot Campaign. We are seeking special gifts over and above our regular giving to help us re-boot and replace some worn out computers. In fact, we have been given a very generous offer! An anonymous donor will match up to \$3,000 for the Faith Computer Re-boot Campaign. Thank you to the donors of this anonymous gift. Now we just need the members of Faith to step up and give up to \$3,000 so we can meet our goal. We invite your prayerful consideration of a gift. Gifts can be made to Faith using a Computer Re-boot envelope (available during worship) or you can write Re-boot on the memo line of your check. Thank you!

Praise + Play Preschool - August 2019

Praise + Play Preschool is in the process of hiring a new aide. Katina Dahl has resigned to be a stay at home mom. We wish her well. The aide position is for 36 hours a week following the NLS school calendar.

We will hold our “back to school night” for all those registered on Thursday, August 15 to drop off their school supplies and meet the staff and check out their classrooms. Our school year will start the day after Labor Day, Tuesday, September 3.

Praise + Play is looking for donations of both men and women used wallets or billfolds. The children love to play shopping with stores from ice cream shops to bakeries, grocery stores to apple orchards and we don't have enough wallets for all. Donations may be dropped off at the Welcome Center.

We are also looking for donations of any costumes for princesses or super heroes that you no longer need in a size range of 5-6x. Anything smaller is too hard to put on and off over our school clothes. We are not looking for complicated costumes that have heads attached like dinosaurs or Spiderman who have a full head piece attached. Just simple dresses or pants and shirts. Again, these may be dropped off at the welcome center. A huge thank you in advance.

We love having the green bus available for us to go on field trips. If anyone knows of an interesting place for a field trip, please contact us at: pandp@faithspicer.org. Last year we went to the Fire Station, the Library, the Village Children's Museum and the New London Bakery.

Open House
Tuesday, August 6
4:30pm-6:30pm
Come check us out!

If you are interested in signing your child up please fill out the registration form found on our website: faithspicer.org - go to the education tab - scroll to preschool.

Please include a **non-refundable check for \$35**, payable to: Praise + Play Preschool.
And return to: Praise + Play Preschool, Faith Lutheran Church, 310 Medayto Dr., Spicer, MN 56288

St. Louis Youth Mission Trip

Our group had a wonderful time serving throughout the community of St. Louis! Some of the projects included packing food boxes at the St Louis Area Food Bank; cleaning apartments for the residents of Dunn Rd Manor; shopping for and assembling hygiene kits; cleaning out the basement and serving coffee and lunch at Northside Senior Center; and much more! We started each day with morning devotions, and we closed each day with evening worship, exploring all the ways God crosses the line to us, and all the ways we can cross the line to others. It was a great trip overall, and we are so thankful for all of the ways our congregation has supported our youth programs, making these trips and experiences possible. Thank you!

ST. LOUIS

~God gathers us as a family of Faith to nurture, inspire, and share the love of Jesus with all people~

We all know how difficult it can be when someone begins a new position at work. There is often a steep learning curve, but in the long run, changes can create positive growth in an organization. At the Family Promise of Kandiyohi County office we are in transition as we accepted the resignation of our case manager who had been with us a number of years at the Day Center. Fortunately, the Board was already in the process of interviewing for a part-time Director position. From those interviews, we are pleased to have found two new staff who should be a great fit for Family Promise. Nancy Howley started as our Director on July 8th, and Rebecca Lundeen began as Case manager on July 23rd.

Our volunteers are great, and we'll all learn from, and lean on, each other as we make this transition. Welcome Nancy and Rebecca! And ... we would welcome YOU too as a volunteer at Faith during the weeks we host families experiencing homelessness. To join our group of volunteers, contact me at: dwyerl@charter.net and we will add you to our list of volunteers.

Supplies needed for each kit are:

- 4 - 70 sheet notebooks of wide/college-ruled paper (no loose leaf)

- 1 - pencil sharpener
- 1 - blunt scissors (safety scissors)
- 5 - unsharpened #2 pencils with erasers
- 5 - ballpoint pens (no gel ink) (secure pencils/pens with rubber band)
- 1 - box of 16 or 24 crayons
- 1 - 2 ½ inch long eraser

Thank You!

Faith had a special noisy offering back in June to help offset the money that was stolen during Rib Fest. That offering raised \$792. Thank you Faith!

Link News

As some of you may remember, we had around \$9,000 stolen from our Rib Fest back in June. Since then our event insurance has covered \$5,000 and thanks to the generosity of community members, donors and to community foundations, we were able to recapture the full amount! We are in the process of developing a money handling procedure with the board in order to prevent any such incident in the future. Thank you!

Wildcat Backpack Program

Did you know that one in four kids in the NL-S School District is at-risk of hunger? The Link, local churches, service clubs and businesses are launching a backpack program for NL-S students. Each backpack will provide kids with food for the weekend. Our goal: All kids fed and ready to learn! Are you interested in getting involved?
