Hello, my name is Brandon Hanquist and I am the president of the Missouri Aquaculture Association (MOAA). Our annual MOAA Aquaculture Conference is coming up on February 7th and 8th, 2025. The MOAA Aquaculture Banquet is the evening of Friday the 7th and the Missouri Aquaculture Conference is on Saturday the 8th. This year we are holding our event in conjunction with the North Central Regional Aquaculture Conference (NCRAC) so there will be aquaculture producers and researchers from 12 states throughout the midwest. We are looking for sponsors for our meeting and are offering a variety of sponsorship levels. If you would be interested in featuring your products or services to this target audience please consider one of the sponsorship levels listed below.

To place your sponsorship email missouriaquaculture@gmail.com. We can email or mail you an invoice/receipt for your accounting needs. If you are choosing a bronze or silver level sponsorship informational packets can be sent to the following address.

Thank you!
Brandon Hanquist
MOAA President
