

Happy New Year!

Happy New Year Coastal Corvette Association members. I hope everyone had a safe and Happy New Years and looking forward to what 2023 has to bring. Wow, 2023 can you believe it, doesn't seem possible.

I would like to thank all the members who have participated in our events in 2022 and hope to see more in the coming year. Again, the board has asked for suggestions on places you would like to visit. At the Christmas party we were throwing around the idea of a trip to Charleston, any thoughts on that? Jay mentioned at Octoberfest that maybe some members would like to host at their homes, so if you would like to do that let me know. After all this is for fun and fellowship and, while watching a line of beautiful cars go down the highway it is also just as beautiful to see a line parked in front of a home. Make some neighbors jealous 😊

Izzy and I have noticed that our membership list might not be up to date as it seems we are not reaching everyone, so please if you know a member that you have not seen at an event lately reach out to them and ask if they are getting our emails and let them know the information is on our Facebook and updated website. www.coastalcorvetteassociation.com

We have our January cruise set for January 14th please see the email sent out by Izzy, our Face Book or website for more details.

Happy Birthday and Anniversary to all that celebrate this month. I know Les & Christy Preston and Izzy and myself celebrated wedding anniversaries in the last few weeks.

Hope to see everyone's smiling faces and great conversation soon!

Lisa Santangelo
President
