Good evening Coastal Corvette Association! I would like to thank everyone that came out Saturday and joined us in Darien at The Keys North Market and Grill. I know it was a last-minute change, however we had a great turn out with 10 cars and a lovely ride to Darien.

Thank you, Bill Flamer, for making our plans and organizing our ride as well as the members that joined us, Larry & Elaine Boggs, Tim & Melanie White, Pedro & Audrey Claudio, Russ McDonald, Bill Powell, Zach Taylor and our newest members Kevin & Melissa Sheppard and Terry & Laura Acree.

Next month we have plans to visit the Saucy Shrimp in Statesboro. Izzy will be sending information in a separate email to all. In March, Les Preston has planned a trip to Beaufort to visit a museum and then have pizza; both of these events should be a great ride and fun for all so please mark your calendars now so you can attend. We have through March planned so if you have any suggestions for a future ride, please let us know.

In May we are due for our membership renewals, if you just joined the club this does not apply to you. Izzy will be sending out forms in March to give everyone plenty of time to complete and return with your check. We are going to totally update our membership list this year so please complete the form with all information including phone numbers, email addresses (that you check regularly), and home address. We would also like to include how many and what type of car(s) you own, birthdays and wedding anniversaries or club affiliation anniversaries. We look forward to another fun filled year in 2023!

As always, check our website for all updates at www.coastalcorvetteassociation.com and be on the lookout for a new Facebook page in the future.

Wishing everyone a great week and weekend and look forward to our ride in February.
