School History

Holy Rosary Academy and Preschool was established in 1947 under the guidance of Monsignor Thomas A Matthew, with the help of the parishioners of Holy Rosary Parish, and the leadership of Bishop Charles Buddy from the Diocese of San Diego. The original school structure was a two-story building on the southeast corner of Arrowhead Avenue and 26th Street. The school was staffed by the Dominican Sisters of Houston, Texas, who instructed students in grades one through eight. The Charism of the Dominican Sisters of Houston's ministries included teaching and school administration. Due to area growth and high enrollment, a one-story building was built to accommodate the expansion of the school. Grades one through four remained in the two-story structure on the east side of the street, while grades five through eight utilized the new one-story building. Kindergarten was added in 1973.

Holy Rosary and Preschool has undergone many changes and improvements. Through the collaboration of the both the school and Parish, four modular classrooms and two student and two faculty restrooms were added in 2005. The new modular buildings have allowed us to combine our entire campus onto one side of the street thus increasing school spirit and unity among our students. In 2007 an additional modular was added to accommodate our growing Extended Care program. In an effort to increase enrollment and to accommodate the need in our community, preschool was added in 2009. Due to the success of our Catholic preschool, a second class was added in 2011. The original school structure on the southeast corner is now being used strictly by the Parish community.

Mission Statement

Holy Rosary Academy is dedicated to providing a Christ Centered Catholic education to all students to facilitate their spiritual growth, academic success and moral responsibility in order to become Life-Long Learners who are successfully equipped to face the challenges of the future. Located in the heart of San Bernardino, the school welcomes all students from the Parish as well as all those in the surrounding community including the greater city of San Bernardino and the Inland Empire who desire a high-quality Catholic education. Holy Rosary Academy continues the traditions of the founding Dominican Sisters with the focus on developing each child's individual gifts and talents so they can reach their full potential. Holy Rosary Academy believes in working with parents as a partnership to facilitate all aspects of their students' learning, while working hand in hand with each family to provide a rigorous Catholic education while developing a strong spiritual and moral foundation in accordance with the Gospel.

Accreditation

Holy Rosary Academy & Preschool undergoes accreditation by the Western Catholic Education Association (WCEA) and Western Association of Schools and Colleges (WASC). A self-study process is utilized including the efforts of the pastor, staff, parents and students. A visiting committee comprised of educators outside the school community evaluates our school. Due to the successful completion of our evaluation, Holy Rosary Academy & Preschool is fully accredited.

Non-Discrimination Statement

In compliance with federal regulations, all persons employed by the Catholic schools in the Diocese of San Bernardino shall be employed without regard to age, race, sex, disability, handicap, life-style choice, ethnic or national origin. As the Catholic schools in the Diocese of San Bernardino are religious organizations, they reserve the right to select employees who are Roman Catholics. (cf. #3112)

Admission Policy

Non-Discrimination Policy

Holy Rosary Academy admits students of any sex, race, color, nationality, and ethnic origin to all rights, privileges, programs, and activities generally accorded to, or made available to students at the school. The school does not discriminate on the basis of sex, race, color, nationality and ethnic origin in administration of its educational policies, admission policies, athletics, and other school administered programs (Diocesan Handbook 5010). Holy Rosary Academy accepts students of all faiths, but reserves the right to give enrollment preference to Catholic students.

New Students

A child entering Kindergarten must be five (5) years of age by September 1st of the current school year. A child entering First Grade must be six (6) years of age by September 1st of the current school year. New students will not be allowed to attend if proper health information, emergency information, and transcripts are not complete and on file in the school office. California law requires specific health screening procedures for all students entering school for the first time. All students entering Kindergarten and First grade for the first time must submit proof of a physical examination by his/her physician (Health and Safety Code 4284 Sec. 308.5). No child may be admitted as a student unless he/she has been immunized against diphtheria, pertussis, tetanus, polio, mumps, measles, rubella, Hepatitis B and has a TB skin test (Diocesan Handbook 5142.3). At the time of registration, the child's birth certificate and immunization records are required. Baptismal and First Communion certificates should also be presented if applicable. ***All new students are accepted on a one-year ACADEMIC and DISCIPLINARY probation period.***

Students with Learning Disabilities

Holy Rosary Academy & Preschool will not discriminate against otherwise qualified individuals on the basis of disability, if, with any reasonable accommodation, the individual can meet the school requirements. Holy Rosary Academy will accept a child

for whom an appropriate program can be designed and implemented following our prescribed enrollment procedures. Each child's admission and continued enrollment in Holy Rosary Academy & Preschool will be based upon the emotional, academic, and physical needs of the child, and the resources available in meeting those needs. The final decision in this matter is made by the Principal. Enrollment is on a one-year probationary period and a review will be conducted after 6 to 8 weeks. The Student Success Team will review whether the student's needs are being met. The Student Success Team can be composed of, but not limited to, administrators, teachers, counselors, parents, and possibly the Pastor.

Preference for Catholic Students

Holy Rosary Academy gives preference in admissions first to Catholic students living within parish boundaries; second, to Catholic students living outside parish boundaries; third to non-Catholic students.

Registration

Enrollment for the coming school year begins with pre-registration in the spring of the current school year. The completed registration form along with fees, are returned to the school office by the specified date in order to secure a space for the following school year. This registration fee guarantees a space for a child only until July 31st. If parents have not completed their final registration process by this date, the child's space is no longer secure and may be given to another child. Registration fees are non-refundable.

Transferring Students

When a student transfers from Holy Rosary Academy & Preschool to another school, the administration should be notified in advance. Official records are released from Holy Rosary Academy & Preschool only at the request of the school to which the child transfers. Records will not be released until all textbooks are returned and all payments are up to date. **All new students are accepted on a one-year ACADEMIC and DISCIPLINARY probation period.** If during this period the student or parents show that he/she is unwilling to cooperate with the policies of the school, he/she will be asked to withdraw. All incoming students who are transferring from a tuition-based school, are required to supply Holy Rosary Academy & Preschool with a financial release from the school they are transferring from stating they are debt free to that school.

Attendance Policies

Absences

Parents are expected to telephone the school office by 8:00 a.m. **EACH DAY** of their child's absence. A message notifying the school of a child's absence may be left on the answering service. If an extended absence is expected, please contact your child's teacher. ***A written note explaining the student's absence is required when a child returns to school from an absence.*** Students are expected to be in attendance for every school day except for excused absences, which are defined by Diocesan and local school district policies. Students who are absent more than ten (10) school days

without a doctor's excuse, or other comparable professional written excuse, may be asked to withdraw from the school or be retained in their present grade (Diocesan Handbook #5113.2). ***Students who are absent for one day must make up any missed assignments and tests within three (3) days. Students who are absent for two or more consecutive days will work with their teacher on an appropriate timeline for returning absent work.*** Excused absences still require the time not present to be marked as absent. ***Any student who does not attend a full day of school, may not attend any school event (games, dances, etc.) on that same day/evening.*** Exceptions may be made at the discretion of the Principal.

Truancy

Any student who is absent from school without a valid excuse more than three days or who is without an excuse for tardiness in excess of 30 minutes on each of four days or more in one school year is truant and can be reported to the attendance office of the local public-school district (Diocesan Handbook 5113.1). Elementary school students who are absent more than 15 days per semester or more than 10 days per trimester without a doctor's excuse or other comparable professional excuse, may be asked to withdraw from the school or be retained. The final decision rests with the Principal in all cases.

Appointments/Early Dismissal

Medical and dental appointments during school hours are **discouraged**. If these appointments are scheduled, the student is expected to bring a written note signed by a parent stating what time the child will be picked up. **Students are not permitted to leave the school grounds for any reason at any time during school hours without being properly signed out of school through the office.** Parents ***may not*** pick up their children in their classrooms. A note is required from a doctor or dentist office for appointments during school hours in order for it to be marked as an excused absence. A note from a parent of a child must be presented if a student is to be dismissed in the custody of an adult other than noted on the emergency card (should be accompanied by a phone call as well). Excused doctor and dental appointments, and any child leaving school early are counted as being absent during the time period (increment of time) the student is not in school. Students are not to leave early except for emergencies. Once a child leaves the school grounds at the end of a school day, he/she may not return to check into the Extended Care program or sports practices.

Tardiness

The 7:50 am school bell signals the start of school. If a student is not *inside* the gated area at 7:50 am, he/she is considered tardy. **Students will be allowed three UNEXCUSED tardies per trimester. Each UNEXCUSED tardy thereafter, will be billed at \$5.00 per tardy.** Excessive tardiness will result in a request for a parent conference. **Habitual tardiness may result in expulsion** according to Diocesan guidelines (Diocesan Policy #5206.10). Tardiness is very disruptive to the teacher, class, and child.

School Visitors

All parents and visitors must check-in at the school office. A sign-in sheet is provided, and a Visitor/Volunteer badge must be worn on campus at all times. ***Parents and visitors are not permitted on school grounds during recess, lunch or playtime unless prior arrangements have been made with the Principal or school office.*** Faculty and staff members may ask for identification. Unauthorized persons will be asked to leave the school grounds, and if necessary the school will contact the local law agency in order to enforce this regulation. This is required for the protection of the students and in case of an emergency situation. All volunteers are required to have a background check through Screening One and complete the Virtus training. Parents are not permitted to confront and ask questions to any student on school grounds. ***All parents on campus after school to watch sports practice, assist with practices, wait for detention, or for any other purpose must be Life scanned and cleared, or they will be asked to wait outside of the gated area.***

Closed Campus

Holy Rosary Academy & Preschool has a closed campus policy. This means that students may not leave the school grounds after arriving. All visitors must check-in at the school office before entering the campus for any purpose. Parents are discouraged from bringing uniforms, homework, lunches, or any other forgotten items to their child during school hours. Items brought in late will be accepted at the discretion of the teacher and Principal.

Safety

Please ensure the following rules are obeyed

- Students are not to enter cars which are double parked on the street.
- Children are to use the crosswalk to cross the street at all times.

- Riding scooters, skateboards, roller-blades and bicycles on school grounds is prohibited.
- ***Parking in the faculty parking lot is not permitted except for staff members.***
- **Do not block the school or neighbors' driveways when dropping off or picking up a student.**
- ***When dropping off students in the drive-through, please make sure you pull up all the way to the front of the line. Please do not double park, stop in front of the gate or leave your car unattended.***
- Only designated school equipment may be used on the playground (no personal equipment).
- Students are not allowed to bring their own playthings or toys to school.
- Students are not allowed to climb trees, fences and/or jump walls.
- Students may not bring electronics (iPads, tablets, cellphones, cameras etc.) on campus without permission from the Principal.

School Policies

Telephone

Students are not permitted to use the telephone except in an emergency. Students may call home at the discretion of the Principal, Administrative Assistant, or teacher. PLEASE NOTE: Students cannot be taken out of class to accept telephone calls during school time. In the event of an emergency, parents may call the school office and a message will be delivered to the student (emergencies only, please). **Cellphones and smart watches on campus are discouraged. If brought on campus, students must keep their cellphones and watches off and in their backpacks. Any student caught with a cellphone or smart watch will have it taken away and the device will only be returned to a parent along with a fee.** The penalty for the first offense is \$25.00. This amount will be doubled with each offense thereafter.

Lunches

Students should bring their lunch to school with them each morning. If a child forgets their lunch, a parent may bring it to school and leave it in the office. **Due to the disruption it causes and the extra work it causes staff, fast food lunches may not be dropped off for the students.** Parents may NOT hand their child a lunch over the fence/gate or take it directly to their child's classroom.

Arrival of Students

Students in grades K – 8 will arrive between 7:30 am and 7:50 am through the front doors. Students will wash their hands at the sinks in the hallway before going to their classrooms.

Dismissal of Students

Dismissal will be staggered with grades K-3 dismissing at 2:30 pm and 4-8 dismissing at 2:45 pm. If a family has students in both grade levels they are requested to arrive at 2:45 pm dismissal. Parents will not be allowed on campus for pickup. Students will be called from their classroom to meet their parents at the gate or front door.

Drugs, Alcohol, Smoking, Tobacco

Students using or possessing drugs, alcohol, cigarettes, or tobacco will be subject to suspension. The second offense will result in automatic expulsion.

Weapons, Hazardous Materials and other Contraband

Students using or possessing any weapons, hazardous materials or other contraband, will undergo disciplinary action up to and including expulsion at the discretion of the Principal.

Vandalism

Vandalism of any kind will not be tolerated. Students and their parents are liable for all damage of school property and equipment. Vandalism caused by a student may result in suspension and/or expulsion as well as a fine of \$100.00 or more depending upon the extent of the damage. Additional disciplinary action will be at the discretion of the Principal.

Care of Textbooks and School Property

We encourage students to take care of all school property and books (including books checked out of the library). Each child is required to keep all class books covered and free of defacing marks. Consequences include detention and a fee assessed for damaged or lost books. Any property damaged or broken by a student will be paid for by the parent. ***Textbooks must be covered at all times.***

Academic Policy

Homework

Homework is given to supplement and reinforce classwork. It is essential because it reviews previously learned material, provides supplementary reading, and adds further knowledge to material already covered. Much can be accomplished if parents foster good study habits in their children at home. Checking homework for accuracy and completion will help parents assess their child's progress on a daily basis. If a child appears unable to do the homework, please check with the teacher or write a note and send it with the incomplete work. This should be done rarely. Ordinarily, homework is assigned each night to students. ***Students who are absent for one day must make-up any missed assignments and tests within three (3) days. Students who are absent two or more consecutive days will work with their teacher on an appropriate timeline for returning absent work.*** If assignments and testing are not completed within this time frame, he/she will receive a grade of zero on all missing assignments and tests unless a very good reason can be given for non-completion. Making up homework for an extended absence will be at the teacher's discretion.

Consequences for missing work may include:

- Students may be required to complete missing assignments during morning recess while supervised by their teacher
- Teachers may text, call or e-mail parents of students who habitually miss assignments
- Students with missing assignments may not participate in extra-curricular activities such as cheerleading, sports and Student Council
- Any student who persists in not completing required assignments will meet with the teacher, parent/guardian, and principal to develop and implement an individual plan for appropriate measures and/or consequences including detention

Accelerated Reader

The minimum number of Accelerated Reading points students need to earn are listed below:

	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8
1 st Trimester	0	10	15	25	30	35	40
2 nd Trimester	6	15	20	25	30	35	40
3 rd Trimester	10	15	20	25	30	35	40

The Accelerated Reading program accounts for 15% of the Literature/Reading grade.

ZAP (Zeros aren't Permitted) Grades 4-8

Students who consistently receive zeros for missing work (classwork and homework) have a hard time raising their GPA to improve their grades. Zeros are very hard to recover from. In an effort to eliminate zeros from our student's grades, we have established a Power Hour on Friday afternoons. Power Hour is an hour of fun and learning for the students each Friday. Students who are Zapped will receive a Zap Sheet listing their missing work. This must be signed by the parent and turned in with the completed work. Students who do not turn their missing work in by Friday at 12 noon will attend Study Hall to complete their work instead of Power Hour. Students who do not finish their missing assignments during Study Hall will be assigned Detention the following week and will continue to lose their Power Hour fun until all assignments are made up and turned in.

Star Testing

As per Diocesan regulations, Star Testing for Math and Reading is administered to all students each trimester. Tests are meant to give the teacher and the administrator certain information regarding the growth of the student as he/she advances through the elementary grades, and is also used as an assessment tool. Test results of each student are recorded on the permanent record card and are discussed with parents and/or students.

Report Cards

Holy Rosary Academy & Preschool is on a trimester system with report cards are issued three times during the school year. The purpose of report cards is to indicate to parents and students, the progress being made in accordance with the student's apparent ability. When failure in a particular subject seems likely, parents shall be notified in advance of the problem.

Graduation

All eighth-grade students must complete 20 community service hours and a SLE exit project in order to participate in any graduation activity, including the graduation ceremony and Mass. All parents of eighth grade students must participate in

graduation fundraising, and hours worked are above and beyond those stated in the Tuition Contract. Students fulfilling the requirements of eighth grade will receive a diploma stating they have satisfactorily completed the eighth grade (refer to the Placement Policy regarding “placed” students). ***Students will not be allowed to participate in the graduation ceremony or any other graduation activity if the family account is not paid in full by the designated date.*** Diplomas will not be given out until all debts are cleared. All graduation events are set up by the school. Any event desired beyond that set-up by the school will be at the parent’s discretion, and cannot be considered school sponsored. Therefore, no school insurance or liability is put on the school.

Retention Policy

Retention is a decision made by the teacher and Principal. The purpose of retention is for the benefit of the child. If retention is required for a student in grades K-8, a conference will be held between the teacher and parent, and the arrangement will be stated on paper. If the school does not plan on retaining your child, and you as a parent desire to hold your child back for a valid reason, it should be discussed with the teacher and Principal. The request shall be in writing.

Placement Policy

If a student’s academic performance is below grade level and he/she is unable to be promoted into the next grade, he/she may be “placed”. Placement into the next grade is for students who have not met the academic criteria for promotion into the next grade, but for whom retention is not a feasible option. Placement is a decision made by the teacher and Principal.

Placement and retention are based upon the following factors:

- Previous retention and/or placement
- Physical size
- Chronological age
- Siblings in the same or next grade
- Academic ability
- Learning disabilities
- Attitude of the student
- Social considerations

If a student has been consistently placed during elementary school and receives a placement from the eighth grade, he/she will receive a certificate of completion in lieu

of a diploma from eighth grade to denote attendance and participation in the academic program.

Communication

Parent Conferences

Conferences may be requested by any parent or teacher at any time during the school year. There is one mandatory conference scheduled toward the end of the first trimester, thus allowing parents and teachers the ability to work hand in hand to assist the student. The parent must attend the conference to obtain their child's first report card. Other conferences are scheduled as needed. ***Parents wishing to confer with a teacher may schedule an appointment by calling the school office or by sending a note from home.*** These appointments should be requested at least 24 hours in advance. All correspondence from parents will be returned by the teacher within twenty-four (24) hours. Parents are required to confer with the instructor before requesting a meeting with the Principal. We ask that parent conferences be set-up after, not before, school hours. Teachers must be with their students before school begins. Teachers must supervise students during dismissal and will not be available for a conference until after 3:10 pm.

Gradelink

Gradelink is a fully integrated web-based system for grading and attendance. Parents of students in grades 1-8 may access the Gradelink system from any computer with an internet connection. With this program, parents can easily keep up to date with their child's academic progress and daily attendance. Some great features of this program are:

- View your child's current grade averages in all subjects
- View assignment grades and teacher comments
- View attendance and conduct information
- Parents can configure Gradelink to automatically monitor their child's grades and send alerts

Accidents

Holy Rosary Academy will keep written documentation and notify parents when anything out of the ordinary occurs that could cause student injury.

Text Message Notification

All parents with cellphones are invited to sign up for our Remind 101 service. This is a great way for parents to keep informed about important daily school events. To sign up for our Text Message notification system, please **text @holyro to (484) 2414261** through your cellphone. You will receive a text message once you have been enrolled.

Complaints

Complaints should be handled at the lowest possible level. Persons with concerns about a teacher or staff member should first attempt to address that concern with the individual. Only after such attempts have failed, should administrators be contacted. The Pastor is the chief administrator of the school.

The following procedures should be followed:

- If the matter is not thus resolved or the complainant refuses to do the above and yet demands action on the part of the Principal, the Principal shall request a written signed statement of the complaint. This shall be a brief but specific summary of the nature of the complaint and the facts surrounding it.
- Complaints not resolved at the point of origin must be submitted in writing for study and possible resolution.
- The individual employee involved shall be advised by the Principal of the nature of the complaint and shall be given the opportunity for explanation, comment, and presentation of the facts as the employee sees them. This is to be submitted in writing.
- The Superintendent will intervene only if the complaint cannot be satisfactorily resolved at the local level and only on receipt of a written referral.
- On receipt of a written referral, the Superintendent will solicit from the complainant, the Principal, the employee concerned, and where appropriate, the pastor, a written summary of the issue together with supporting documentation. After reviewing the documentation, and when necessary, conferring with the parties to the disputed action or policy, the Superintendent will only determine:
 1. Whether the local policy is in accord with applicable Diocesan policies and regulations
 2. Whether the policy is fairly and equitably applied.

Confidentiality

Teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake. Parents will be promptly notified of teacher concerns.

All volunteers for Holy Rosary Academy & Preschool must follow a Code of Conduct. Volunteers are expected to use appropriate language and professional behavior while working for the school. Volunteers must keep all school information strictly confidential.

Counseling

Holy Rosary Academy does not have a counselor on site. All families requesting counseling services are referred to Caritas Counseling services.

Crisis Plans

Emergency Evacuation

Fire drills are conducted at various and unannounced times during the school year. In the event of a fire, severe earthquake, or other natural disaster, the safety of the children may require an evacuation of the school. The importance of a calm, orderly, and controlled response to such an emergency cannot be overemphasized. All persons must leave the buildings in a quick and orderly manner. Children will be kept secure and as comfortable as possible until parents or other competent adults can take them from the property. Complete silence in the building is necessary in order to hear any emergency directions. Please stress the importance of this to your child.

Custody Issues

Holy Rosary Academy & Preschool abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, our school may provide the non-custodial parent with access to academic records and other school information regarding his/her child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide our school with a court-certified copy of the court order.

No unauthorized organization, agency, or person may be allowed to assume custody of any student on school premises before, during, or after school hours unless explicitly authorized by the parent or guardian. In cases where custody is court ordered, the

school must request, and the parents must provide, a copy of the court order for the student's file to verify the conditions of custody. The school shall comply with court ordered custody conditions that are on file. The school shall not be used as a site for visitation. The school will not be engaged in custody issues.

Discipline Code

Behavior

All students and faculty should understand that one of their obligations in a Catholic school is to respect the dignity of all members of the school community. Courtesy in speech, respect for self and others, as well as orderliness, are expected in every classroom. It is the responsibility of each student to learn any specific regulation that his/her teacher may require. All teachers and supervisors have the authority to discipline any student or group of students, regardless of age or grade as long as the student is on school property, or at a school function. Corporal punishment is not an option.

Teachers have the right to expect their students to:

- be on time
- have assignments finished on time and according to the directions
- be attentive and respectful
- be courteous
- assist in keeping the classroom and school in good order

There shall be no tolerance of threats or violence. Any and all threats to inflict serious harm to self or others will be taken seriously. This includes the presence or threat of using weapons or accessing internet web-sites dealing with weapons or destruction.

The student is a Holy Rosary Academy student at all times. A student who engages in conduct, whether inside or outside the school, that is detrimental to the reputation of the school, may be disciplined by school officials.

Harassment

Holy Rosary Academy & Preschool believes that all students have a right to be treated with dignity and respect. All demeaning behavior is prohibited. Harassment may include, but is not limited to bullying. Bullying is aggressive behavior that is ongoing, intentional and involves an imbalance of strength. Bullying can take many forms including physical, verbal, emotional, and cyber-bullying. Instances of bullying should

be reported to the appropriate authorities. Behaviors will be investigated and brought to the attention of the student's parents/guardians. Depending on the severity of the instance, consequences could include notification of law enforcement, mandatory counseling with follow-up, removal from school during the investigation, suspension and/or expulsion. (Diocesan Handbook 4161).

Social Media

Social Media (Facebook, Snapchat, Instagram, Twitter, etc.) is not allowed to be accessed while students are on campus. Students who post pictures or negative comments about Holy Rosary Academy, students or harass fellow students on their account or anywhere online at any time will be given consequences. **Online bullying will be dealt with immediately and can result in suspension and/or expulsion.**

Discipline

The goal of the Holy Rosary Academy & Preschool staff is to establish an atmosphere of mutual respect and orderly Christian conduct. To guarantee a good social and educational climate, it is important that students understand and practice acceptable standards of behavior at all times. Discipline will be administered when any student's action interferes with the right of teachers to teach, and the right of the students to learn. The Principal is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at her discretion.

Due Process/Appeals

The Principal and teacher will make a commitment to listen to the student's side of the story. All Catholic school personnel commit themselves to a hearing in any disciplinary situation. Students are told what they did wrong and are given a chance to be heard. Due process is the desire to act in a Christian manner characterized by fairness and compassion.

Special Circumstances

In cases of special temporary health, physical, legal or other circumstances, Holy Rosary Academy & Preschool will consult with the Office of Catholic Schools, the policies of the Education and Welfare Corporation, and local school district and community resources to determine the best course of action to support student and family, as well as the entire school population.

All students participating in any sport or cheerleading program must maintain a minimum of a C in conduct and a minimum of a 2.0 GPA in the seven core subjects. Students who fail to maintain the above grades on their report card or progress report will be put on probation. No student has an absolute right to a field trip. Students can be denied participation if they fail to meet academic and/or behavioral requirements. A school (Diocesan) field trip form completed by a parent/guardian which releases the school from liability is needed for each field trip. Students who fail to submit the proper form will not be allowed to

participate in the field trip. Telephone calls are not accepted in lieu of the written form. Faxed forms can be accepted. **Parents may refuse to allow their child to participate in a field trip.** Fieldtrips are always educational and include an assignment based on the trip. Students who do not attend the fieldtrip will be given an alternate assignment which is due at the start of the next school day. Parent Cooperation

The education of a student is a partnership between the parents and the school. Normally a child is not to be deprived of a Catholic education, or otherwise penalized for the actions of his/her parents. Just as a parent has the right to withdraw a child if desired, the school administration reserves the right to require withdrawal of a student. ***Nothing undermines and diminishes a school quicker than “parking lot gossip”.*** ***Please come to the administration to clarify questions and concerns.*** The Principal may recommend a transfer of a student when a parent has been persistently uncooperative with school staff, policies, regulations, programs or has interfered in matters of school administration or discipline. If, in the opinion of the administration, the partnership is no longer viable, the school reserves the right to require the parent to withdraw the student from the school (policy #5220) Documentation of the basis for this action and of all consultations with the parents on the matter will be retained on file.

Abuse of Staff

Any parent, guardian, or other person who ***insults, abuses or yells*** at any staff member in the presence or hearing of other school personnel or students, on school premises **or at any other place** the staff member is required to be (in connection with an assigned school activity), is guilty of a misdemeanor, and is punishable by a fine of not less than fifty (\$50.00) and not exceeding five hundred (\$500.00) dollars. Student Service Programs

Christian service is an important part of a Catholic education and is an expression of our faith. It helps develop a strong sense of personal responsibility and commitment to the larger society. Of the many ways a student experiences the world, perhaps one of the most meaningful is through the service of others. At Holy Rosary Academy & Preschool we require every Jr. High student to acquire these important habits by doing service hours for the poor and needy in our community.

	Grade 6	Grade 7	Grade 8
1st Trimester	4 hours	5 hours	7 hours
2nd Trimester	3 hours	5 hours	7 hours
3rd Trimester	3 hours	5 hours	6 hours

Students are responsible for accessing only appropriate web sites and report to their teacher any accidental “hits” of inappropriate sites. All students in grades K-8 utilize iPads in the classroom. Parents must sign an iPad Agreement prior to their child receiving an iPad and are responsible for repair if the iPad is broken or defaced.

Use of School Grounds

Children are not to arrive on campus prior to 7:30 am and are to leave no later than 6:00 p.m. Students who arrive prior to the start of school will be placed in the Extended Care program and parents will be billed at a rate of \$4.25 per hour per child. Students who are not registered in the Extended Care program must be off campus by 3:00 pm on a regular school day and 12:00 on half days.
