

BOADGEE GHOST

Just my step-dad, ma and me in the family home.
Spent very little time in that private war zone. Well, I'd...
Wander down to where I felt most free.
To where the Boadgee River met up with the creek. Well, I...

Knew most everybody else would stay away.
Legend told it was a haunted place. Still I'd...

Meet up with Billy where the trees grew near the reeds. Yeah, this...
Place of death gave us life, helped us breath. Well, for...
Two lost souls it just felt like home.
It was the stomping grounds of the Boadgee ghost.
Boadgee ghost.

Billy would stomp and dance. I would play and sing.
Drinkin' beer kept cool in the water on a string, and where the...
River met the creek and the trees met the reeds was the...
Perfect place for growin' a little weed. Well, I...

Knew most everybody else would stay away.
Billy made sure it stayed a haunted place.

Well, one night I met with Billy where the weed grew near the trees, that met the...
Reeds in the water where I said I had to leave. Well, for...
Months they say they heard the mournful moans.
It was the stomping grounds of the Boadgee ghost.
Boadgee ghost. Boadgee ghost. Boadgee ghost.

Well, the years went by with increasing speed, until I...
Found myself near where the river met the creek and where the...
Trees met the reeds and the weed did grow was a...
New estate of waterfront homes. Well, I...

Knew most everybody else would want to stay.
The signage read, "The Place to Live and Play!"

Now the homes meet the water where once the trees met the reeds, where the...
River met the creek where Billy once met me.
And though I waited and I prayed Billy never did show.
It was the stomping grounds of the Boadgee ghost.
Boadgee ghost. Boadgee ghost. Boadgee ghost.
