Hello Corporate Sponsors,

Fall is in the Air and another Rams Football Season is on the horizon. After an uncertain season last year and no playoff games due to Covid, we are happy to be in full swing with three teams heading into the 2021 Cape Atlantic Football League.

Sign ups were slow this year so we charged a flat fee and did not hold a cheer camp making this season more affordable for our young athletes. We cut our expenses by utilizing our current uniforms and received a large donation for shoulder pads. We still need to cover the referees for home games and we have to restock the snack stand.

Once again, we are asking for a donation to our Rams Family & Corporate Sponsors- we need your help!

We have created three new corporate tiers to choose from on the next page. Each sponsorship will include a banner on the field and a spot on the back of our New 2021 long sleeve tees for your logo or Business Name depending on the tier you are in.

We are also accepting online payments through Square. Go to [BrigantineRams.com](https://www.BrigantineRams.com) to Donate and Choose your Sponsorship Package!

Thank you Once Again! #LetsGoRams!
