Message of the Chairman, PNPA AAI

I lead the officers and members of the Philippine National Police Academy Association, Inc. (PNPAAAI) in extending our warmest congratulations and grateful appreciation to the Board of Trustees and members of the Lakan Mutual Benefit Association, Inc. (Lakan MBI) as you hold your 6th Annual General Membership Meeting.

As an affiliated association of the PNPAAAI, the Lakan MBI has been instrumental in the PNPAAAI's corporate growth to better serve our members. We are thankful for your hard work and dedication in providing comfort to our members in times of disasters and calamities; cultivating the habit of thrift industry and saving, and most especially fostering the brotherhood and mutual assistance to each Lakan.

As Lakan, we share a common goal of serving the best interest and promoting the general welfare of the Lakan community and contributing to the development and welfare of the Filipino nation. Hence, as you conduct General Assembly Meeting, the Board of Trustees is looking forward to hearing your annual accomplishment report and future plans and programs to better serve our members.

While certain challenges may come along your way, I believe that with the great leadership behind the Lakan MBI, this mutual corporation will go a long way. For the PNPAAAI, we assure you of our solid assistance on matters of mutual concern for the betterment of the Lakan community.

Let us all continue to work together and maintain a culture of excellence in the name of public service.

Once again, the entire PNPAAAI joins the Lakan MBI on this momentous occasion.

Congratulations and Godspeed.

Mabuhay kayo! Hail PNPA!

Message of the Chairman, Kampilan

I extend my warmest felicitations to the **Lakan Mutual Benefit Association, Inc. (Lakan MBAI)** as you hold your **6th Annual General Membership Meeting (AGMM)**.

The past year has truly been a challenging period for an association like us but the Lakan MBAI has braved the storms and continued to provide mutual benefit assistance to its members. This exhibits the Board of Trustees and Officers' resiliency, hard work, and dedication to helping your members in times of difficulty and giving them an opportunity for a bright future.

As you convene for your AGMM, may you always remain driven and motivated in fostering brotherhood among the Lakan Community and providing mutual assistance among your members. This is also a great headway to give your members relevant information about your accomplishments, and insights with regards to your plans, programs, and activities of the Association for 2022.

And as one of your fellow Lakan associations, we in the Kampilan Multi-Purpose Cooperative, assure you of our continued support in all your programs and aspirations. May the relationship between our associations continue to grow for more years to come.

Congratulations and God Speed!

Hail PNPA! Hail Lakan!

Chairman's Message

As we celebrate our 6th Annual General Membership Meeting, let me convey my warmest greetings and congratulations to all the officers, staff and members of Lakan Mutual Benefit Association, Inc. whose hard work and commitment brought us to where we are now.

The strain of the past two years due to COVID 19 had served as a stunning reminder of how connected each of us are, in good times and in bad. If we can lean into those connections and foster even stronger relationships, our local businesses will be able to come back stronger than ever. Lakan MBAI offers so many opportunities to network, learn and engage. I hope that you'll consider our programs that will fit your needs. We welcome your participation as we all navigate into this next phase, together.

I also would like to extend my sincerest gratitude to our stake holders for all the efforts each one of you has placed in realizing the accomplishments we have achieved and obstacles we have surpassed in the past year.

May this occasion be instrumental in reigniting everyone's passion and dedication in the conduct of our respective tasks and responsibilities.

P C/S TOMAS G RENTOY III (Ret)
Chairman, LAKAN MBAI

President's Message

It is my pleasure to join all of you at this year's General Assembly. Over the past six years, I have witnessed the steady evolution of this association where it has become significant in this industry. It is not just a networking activity but also a chance for our fellowmen to begin their future.

An American writer once commented, "The secret of getting ahead is getting started." If you seriously want to do something or achieve something you want then just get started, just doing it instead of finding more motivation. Wouldn't we be more successful if even when we are no longer here on earth, we secured the future of those we will leave behind in life. That's why, we at Lakan Mutual Benefits Association Inc. do not to force you or make you feel guilty but to give you a chance to begin.

Hopefully, what I have to say can both inspire you and motivate you to want nothing but the best for yourself and your future.

Congratulations LAKAN MBAI and welcome to our 6th Annual General Membership Meeting.

PRESIDENT'S REPORT

On behalf of the Board of Trustees of LAKAN MBI, I am pleased to present to you, on the occasion the 6th Annual General Membership Meeting, a report on the modest accomplishments, activities and updates of our Association for CY 2021 and 2022 before this year's assembly, to wit:

a. Membership

The association has significantly increased its membership from 1,116 for the previous year to 1,524 as of June 30, 2022, mainly coming from the cadets of the recent classes, with the assistance of the leadership of our alma mater, the Philippine National Police Academy.

b. Accreditation

Proudly, thru the relentless effort of the officers and staff, the Association has been granted accreditation by the PNP's Committee on Accreditation for Automatic Deduction (CAAD), for ease of monthly collection of premiums from its members.

c. Approval of Application for Basic Life Insurance Product from the Insurance Commission

The Association's application for the Basic Life Insurance Product with the Insurance Commission has finally been approved. The product secured the accreditation of the Lakan MBI to provide the life insurance coverage to its members.

d. Amendments

Realizing the need to abide by the change of time, with the end in view of making our mechanisms and system more dynamic and effective, the Association's Articles of Incorporation and By-Laws had been amended.

e. Business Office

The Association officially acquired its own business office in 2021.

f. Benefits

Lakan MBI offers benefits to members such as Basic Life Insurance, Hospital Reimbursement, and Equity savings. Throughout the years, Lakan MBI has successfully honored and paid the following entitled members of their respective benefits. The following beneficiaries of such benefits are as follows:

DEATH CLAIMS

1. FDIR Bobby V. Baruelo
