

October 2021

The American Legion Family of Pst 166 Doing Things All Year Long

#### **Commander Notes**

Commander Robert Scott has taken a leave of absence due to health issues. As First Vice Commander, I have assumed the duties of Commander while he recovers. This is my first time as a Commander. Up until I assumed the duties of Commander, I was Director of the Legion Riders, Chapter 166 and I served one year as Finance Officer.

I am a Navy veteran, having spent two years of active duty on the Destroyer Tender, USS Dixie, and four years as a reservist. I am proud to be a member of the American Legion for 47 years.

I want to thank everyone for their help and support as I adjust to this new endeavor. If you have any concerns you would like to discuss, give me a call at (727) 432-7220. You can also find me most evenings at the Post.

We have had a busy September at the Post. It is great to see everyone come out for the events. The one that really comes to mind is the Cheeseburger in Paradise which was sponsored by the Auxiliary. We had more people in the Post than I have ever seen there. All the tables and bar stools were full. We set up a table in the lobby, it was full as well as the picnic tables out back, the chairs out front and even a few people sitting at Fish Tales' tables enjoying cheeseburgers.

We also had a nice showing for the 9/11 remembrance, and our blood drive. Thanks to everyone who donated whole blood, double reds, platelets, and plasma. The folks at the Bloodmobile tell me that our donations will go a long way to help save lives. The next blood drive is scheduled for Veterans Day.

Once again, I want to assure everyone I will to keep the ship righted until the return of Commander Scott.

Please keep Commander Scott in your prayers as well as our members who are on sick call as well.

For God and Country Bob Ballew, Acting Commander, Post 166 727/432-7220 <u>rballew931@gmail.com</u>

#### **Auxiliary Presidents Message**

Good morning, afternoon, or evening. October, and hopefully a bit cooler weather has arrived and with it many new ideas and activities at our Post.

We welcome our new Acting Commander, Bob Ballew, and plan to support him in his new challenging role.

Already we have noticed the two new TV's and appreciate that our "older eyes" don't have to strain as much to watch the programs. Thank you to the two persons who donated the TV's and to those who got them up and running.

Thank you also to our amazing team of Auxiliary members and our Executive Committee. So many volunteer hours and activities to benefit our Post, our veterans, and our community. Our membership continues to grow each week and we eagerly look forward to meeting and greeting each new person that joins us.

We currently have two fund raisers going on: Mystery Bags available at the Post for \$1.00 each, with 50% of the proceeds donated to Post 166's Vet Relief Fund; and "Coupons for Troops". Bring in manufacturer's coupons found in the newspaper, and we will clip and mail them to an overseas base to help our active-duty families stretch their dollars. Your help will be greatly appreciated.

As we are out and about in our lives, please continue to mention that you are a member of the American Legion Auxiliary and that you are proud to tell what it is that we represent. As I heard in a meeting, not long ago, "if the American Legion were gone tomorrow, would your community miss you?" We want the answer to be Yes! Hope to see you at our next meeting on October 11<sup>th</sup> at 10:30AM.

For God and Country Judy Salo <u>myala166@gmail.com</u>

#### Looking Over the Fairing

I am happy to report we have a date for the 3<sup>rd</sup> Annual Ham and Hogs Ride, November 20<sup>th</sup> and the stops have been set! This ride is open to Trikes, Bikes, Roadsters, Street Rods, Trucks and Automobiles. The ride starts at our Post with breakfast and ends at our Post where there will be lots of raffle prizes and dinner. Entry to ride is one ham, preferably canned or smoked, or a donation of \$20.00 which will go to help Veterans in need enjoy a holiday meal. So, mark your calendars and we will see you Saturday morning November 20<sup>th</sup>. You will have a great time and help the families who need it, to have a nice Thanksgiving dinner.

#### Sons of the American Legion Squadron 166

It looks like most of our snowbirds have returned and will have our first meeting of the new fiscal year on October-23rd. Our squadron has been busy planning this year's Oktoberfest which will be held October 9<sup>t</sup> starting at 4PM and featuring Keven Dunn. We will be looking for the best "polka dancers" so start practicing! We will have Germain food and there will be at \$2.00 Sam Adams Oktoberfest Specialty beer available that day at the Canteen.

#### **Canteen News**

Fall is here and the Summer Drink Specials have ended. Our hours have returned to 12PM to 9:00PM daily. If you haven't already, try our Specialty Drinks: \$5 Rum Bucket, \$, and \$5 Sunday Bloody Mary and a new \$3.00 Specialty Drink coming in October.

We are currently looking for a volunteer bartender for 2 nights from 4 to 9. If you are interested, please see Michelle at the bar. The only requirements are a big smile, a happy personality, and a member of Legion family.

We also want to remind everyone that guests of members are always welcome to join us, but they must be accompanied by a Legion family member and signed in by the member. Additionally, by law, only members are permitted to play the machine games, pull tab machine or the Queen of Hearts raffle. We will also be requesting all members show their membership cards when ordering a drink starting Oct 1<sup>st</sup>.

#### Service Officer Buzz's Report for October

I want to make all our veterans aware that the VA has authorized two new benefits:

- Puppies Assisting Wounded Servicemembers for Veterans Therapy Act or the PAWS for Veterans Therapy Act. This is a five-year pilot program to provide canine training to eligible veterans diagnosed with post-traumatic stress disorder. The bill also authorizes the VA to provide service dogs to veterans with mental illnesses, regardless of whether they have a mobility impairment. Eligible veterans are those who are enrolled in the VA health care system and have been recommended for participation by a qualified mental health care provider or clinical team. Veterans who participate in the program are authorized to adopt the dog they assisted in training if their health provider determines it
- Veterans Exposed to Burning Oil Wells and Burn Pits Are Eligible for Special Program. A new expansion of eligibility to healthcare and compensation benefits applies to veterans of the Persian Gulf War (Desert Shield and Desert Storm), as well as those who served during Operation Enduring Freedom in the Southwest Asia Theater of Operations. The new expanded benefit applies to any veteran who served in the above-mentioned areas during the qualifying time frame and is also suffering from chronic asthma, rhinitis, or sinusitis. Veterans who think they may be eligible for this new expanded benefit should go to <u>VA's website</u> to apply for health care or file a claim for compensation benefits. Those who previously applied and were denied should apply again.

Additionally, I would also like to ask everyone to keep an eye on their fellow veterans. There has been an undue amount of stress imposed upon our veterans in the past month. We've seen the Taliban retake Afghanistan as the remaining U.S. troops withdrew. The speed of the Taliban's resurgence made it all the more shocking. It has also rekindled memories for veterans, especially from the Vietnam era, who saw similar occurrences. For those who need help immediately, the VA Crisis line is **800-273-8255**, and manned 24/7. They are there to help!

If I can assist a veteran or a veteran's family, please contact the Post at (352)765-3949 and I will call you right back. I am here to help with any needs that may arise.

### October 2021

#### Saturday Oct 2 – Sami's Run

Bike Run to benefit Citrus County's underprivileged children – Register at the Eagles Club or the first stop, Post 166. Breakfast available at the Post for riders at 11AM
