Other:

~Resident Travis Coy had asked about having his driveway sealcoated by Fahrners while they were in the area – they told Travis to check w/us about having it done and then billed by the Township – can get at a little bit cheaper rate. Board discussion – and it was decided we are not going to do this. If a resident wants to seal coat, they can have done by whatever company & be billed directly to them. We don't need to be the middle person, along w/being held responsible for any issues etc.

~Chaseburg Farmers Coop Propane renewal: LP gas bid renewal quote good until 7.31.23 at this price: \$1.59/gal October thru March 31, 2024. Board discussed. Motion was made by Matt to accept the winter fill quote from Chaseburg Farmers Coop, Kurt 2nd the motion, motion was carried.

~Dumpster Service – Big Hook is really pushing to get us to switch. Gave a quote to us. The board did some discussion. They would like to reach out to our existing (Town & Country) to verify they will guarantee taking our solid waste to Vernon Co. Landfill, & if so, will it be any extra cost to us? Berent is going to reach out to Town & Country on pricing. Will try & have for next meeting.

~Patrolman Update by Brody: graveling is going to start tomorrow. Has been putting sap down in area for dust control. Loader – got it fixed via St Joes so up and working again. Pickup -new exhaust priced about \$1000.
