## **Other:**

~Liquor/Wine/Beer License: Board approved to issue Further Along LLC/Steve Lawless his licensing again this year. Application was completed & returned with payment.

~A few complaints on the dust, especially with the extra traffic because of Hwy 27 road construction. Berent ordered some sap last week so can do once it is here.

~Stray Pets – Berent had a cal from Sheriffs Dept on what our policy is? We don't really have one. Agreed to just take them to Grimm Tails.

~Parking Lot – overnight parking. We need to stop letting people park their vehicles/semis/trailers etc in our lot. It's a liability to the township. We'll need to let those that are doing it now know, and probably post some signage.

~Patrolman Update: Brody said Robin called about the graveling – postponed for a just a bit. Said probably still ok as we could use some rain first..

Loader – crack in the case/radiator. Took to West Salem, cant really fix it – all plastic, they don't make very good anymore. Cant even order a new metal one apparently. Brody will call St Joes & check with them. If they can get one, Brody can pull out the old & put in the new.

Otherwise things are good. Would like to go get a load of seal coat mix to do some patching now when its hot. Board agreed and said to do so.

## **Adjournment:**
