

Greenwich Angels Foundation

Grant Application Form

The Purpose of the Greenwich Angels Grant Program is to expose students to new subject matter and/or new ways of learning and to encourage teaching methods that excite and strengthen and student's innate desire to learn. The GAEF prefers to fund new projects or significant additions to on-going projects. We welcome proposals of all types, but especially those that:

- Align with NJ Core Curriculum standards
- Use innovative teaching methods/materials
- Involve two or more teachers, within or between grades/schools
- Take an interdisciplinary approach to learning
- Introduce new subjects, disciplines or approaches to students
- Involve partnerships between Greenwich Board of Education and Phillipsburg High School.

The GAEF Program Committee meets several times each school year to determine which grants to submit to the GAEF Board for approval. The yearly deadlines for submission of grant applications are listed in the Grant Application Process section of the GAEF web site. Please submit your application by these deadlines if you want it to be considered in the next grant cycle. Please complete the application. Submission details are listed on the last page.
