

**ENCHANTED FOREST**  
**Theater Week**  
**MAY 4-8**

Parents,

We are so excited to have you all witness the work and beauty this Youth Program has put into this show! This will be a fun filled, busy week!

Please remember to:

\*keep your dancers healthy, with plenty of rest!

\*have your dancers eat a snack before coming to rehearsals, plus bring additional non-messy snacks (ex: pretzels, crackers, cut up fruit, granola bars, etc.)

\*bring a closed water bottle (NO aluminum, please bring plastic, which won't be as loud if dropped or knocked over!)

\*continue to have your dancers review their choreography everyday, they are dancing a lot! The videos are posted in a private link, so you will not find them on our public YouTube page. You must keep the link given in previous emails!

\*make sure child has both ballet shoes with them at all times, we do not have extras!

\*double check for proper performance attire for dress rehearsals and performances (Girls: nude leotard, clean performance tights, clean shoes. Boys: nude colored shoes, proper underwear)

We hope you enjoy getting to see what we have been up to for the past 3 months! We truly appreciate all for your cooperation!

Sincerely,

Your SPBC Youth Director and Artistic Director, Alexe and Servy Gallardo
