

FNSKU Label Recycler Terms of Service (ToS)

Effective Date: October 23, 2025

By purchasing and using the FNSKU Label Recycler Chrome Extension ("the Extension"), you agree to the following terms and conditions.

1. License Grant

Upon successful purchase, you are granted a non-exclusive, non-transferable, revocable license to install and use the Extension on Chrome browsers owned or controlled by you for personal or commercial use related to your Amazon FBA business. You may not resell, redistribute, or modify the Extension's code.

2. Payment and Refunds

Payment is processed securely by the Google Chrome Web Store. Refunds are subject to the terms and conditions set forth by the Chrome Web Store and Google Play Payments.

3. Intellectual Property

The Extension and all associated files, documentation, and logic are the intellectual property of Shoal Creek Solutions. You acknowledge and agree that you are purchasing a license to use the software, not ownership of the software itself.

4. Disclaimers and Limitation of Liability

The Extension is provided "as is" without warranty of any kind. You acknowledge that:

- **Alignment:** While the Extension uses precise measurements for the Avery 5160/48860 template, final print alignment is dependent on your specific printer, printer settings, and paper loading accuracy. We are not liable for misaligned or wasted labels caused by printing errors.
- **Barcode Quality:** We are not responsible for the scan quality of the final FNSKU labels. It is the user's responsibility to verify that the extracted barcode image is high-resolution and scans correctly before affixing it to products.

To the maximum extent permitted by applicable law, in no event shall Shoal Creek Solutions be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of profits or business interruption) arising out of the use of or inability to use the Extension.

5. Trademarks

Amazon, Amazon FBA, and FNSKU are trademarks of Amazon.com, Inc. Avery and the template numbers (e.g., 5160, 48860) are trademarks of Avery Products Corporation. All other trademarks used herein are the property of their respective owners.

6. Termination

We reserve the right to terminate your license to use the Extension if these Terms of Service are breached.
