Dear Community Member:

MESSAGE FROM THE GVC PRESIDENT

The rain dances worked! Green Valley is green and clean up continues. Crews are on the roadways cleaning vegetation and sand. A hearty thank you to the GVFD, GVSAV and PCSD for all those extra hours keeping us safe. Remember to be vigilant when walking and doing yardwork. There have been many snake sightings. Snakes have many hiding places, but the rain drives them onto streets, walkways and patios. And please continue to follow all weather alerts!

Be well and stay safe,

Debbie Kenyon
