

## Animal Cake

*Hybrid - 60% Sativa / 40% Indica*

*THC: 21+%*

### **ANIMAL CAKE**

#### **Animal Cake**

Is a sativa-leaning hybrid weed strain made from a genetic cross between Birthday Cake and Animal Cookies. Animal Cake effects include relaxed, talkative, and giggly. Medical marijuana patients often choose Animal Cake when dealing with symptoms associated with anxiety and depression. Animal Cake features a flavor profile of vanilla, pepper, and lemon. The dominant terpene of this strain is myrcene!

Animal Cake helps with:

- Anxiety
- Depression
- Stress
