

Rocket Fuel

Hybrid - 40% Sativa / 60% Indica

THC: 20+%

ROCKET FUEL

ROCKET FUEL

Is an indica-dominant hybrid cross between Jet Fuel OG and Face Off OG Bx1. It maintains a pungent, fuel-packed flavor profile, expressing notes of diesel and spice. With euphoric but relaxed effects that lift the mood while calming the body, Rocket Fuel may help alleviate pain, stress, and depression.

Rocket Fuel helps with:

- Pain
- Depression
- Stress
