

# Emergency Response During the COVID-19 Shutdown

March 23, 2020 - June 1 2020

The COVID-19 Pandemic has pushed SOS to serve Monroe County in ways we never have before. By hosting four drive-thru distributions each week, preparing meals for at-risk populations and homebound seniors, and through the generous support of organizations and individuals like you, this is how we have responded to the unprecedented need.

# 22,435

Total Households Served

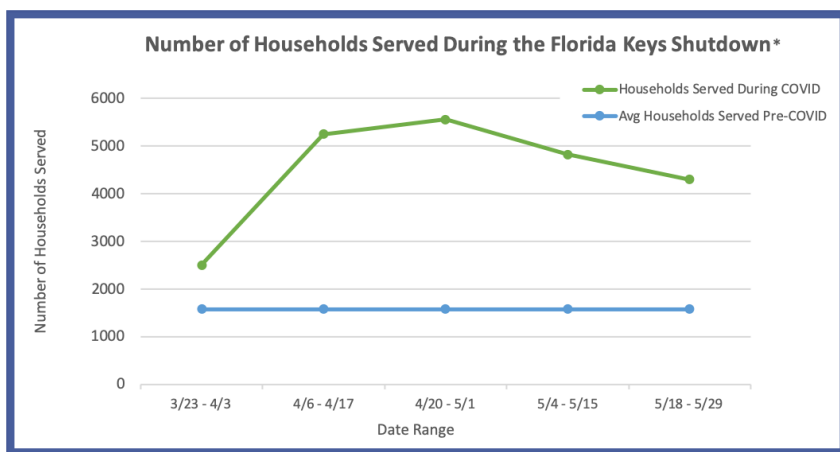

# 250

Tons of Food Distributed at  
**50 Mass Distributions**

Including fresh produce, frozen meat, & nonperishables

At peak numbers, we saw a 352% increase in number of households served per month, compared to average, pre-COVID numbers. Currently, SOS is still serving twice as many clients as usual.
