

P.A.I.G.E. NEWSLETTER

JANUARY 2025

Let's talk about
P.A.I.G.E.

Since 2024 has come to an end and we've entered 2025, we wanted to thank everyone who has supported us this last year, and years past. We couldn't help St. Louis children without you. This year we raised money for our endowment at St. Louis Children's Hospital, our college scholarships, and C.O.P.S., a camp for surviving children, and their parent or legal guardian, of law enforcement officers who died in the line of duty.

Endowment at St. Louis Children's Hospital

We've funded the Paige Sandra Murie Suter endowment at St. Louis Children's Hospital since December of 2012. We started the endowment with \$12,000 and now it is at over \$188,000.

This endowment funds the Pediatric Neurocritical Care Program, which is run by Dr. Jose Pineda, who treated Paige at St. Louis Children's Hospital when she suffered a fatal brain aneurysm in 2006. Funds are used to educate first responders in identifying and caring for children with brain injuries as well as multi-disciplinary treatment for children once they arrive at the hospital, leading to better outcomes for recovery.

We could not continue to fund the endowment without your help, thank you for your support to our organization. Our hope is that no other family must grieve the loss of a child to brain injuries or illness.

Our Fundraisers

MUSIC TRIVIA

Last April we had 160 attendees at our trivia night. The night was filled with music trivia, games, raffles, and our silent auction. The 2024 trivia night raised over \$10,000.

PUB CRAWL

In August, we had 83 people at the Peace Love Paige Pub Crawl. We had our scavenger hunt, where the winning team received the booze basket, and attendance prizes. We raised over \$2,000.

PAIGE WINE MIXER

At the PAIGE Wine Mixer, we enjoyed a warm day at Villa Antonio Winery. We enjoyed a day of relaxing and wine and we raised over \$2,000.

P.A.I.G.E. Scholarships

Each year we award two college scholarships, one to a student at Oakville High School and one at Seckman High School. We choose these specific schools because the Oakville School District is where Paige spent most of her school years and the Fox School District, specifically Seckman, would have been where she graduated.

This year's winners were:

Ethan Johannes from Oakville High School

Avary Fuse from Seckman High School

P.A.I.G.E. Random Acts of Kindness Awards

Being kind to others is who Paige was to her core. We like to recognize kids being kind to those around them, to honor Paige and to encourage them to continue spreading kindness.

This year's RAK recipients:

Hayden Grandstaff from Hamrick Elementary School

Petey Mondello from Oakville Elementary School
