

# P.A.I.G.E. NEWSLETTER

JANUARY 2026

## Let's talk about P.A.I.G.E.

As we start this new year, we want to take a moment to thank everyone who has supported us in 2025. We couldn't help St. Louis children without you. In 2025, the money we raised went to our endowment at St. Louis Children's Hospital, our P.A.I.G.E. college scholarships, and W.I.N.G.S., an in-home Pediatric Palliative Care Program where children with a life-limiting illness receive extraordinary hospice care — and their families receive extraordinary support.

# Our Fundraisers

## MUSIC TRIVIA

Last April we had 114 attendees at our trivia night. The night was filled with music trivia, games, raffles, and our silent auction. The 2025 trivia night raised over \$11,000.

## PAIGE WINE MIXER

The PAIGE Wine Mixer was Saturday, November 8th at Villa Antonio Winery. We had an intimate event of 38 attendees where we all enjoyed a day of wine and a seasonably warm November day. We raised over \$1,000 at this event.

## PUB CRAWL

In September, we had 56 people at the P.A.I.G.E. Pub Crawl. We had a fun twist for our final pub crawl. Our shirts were white and attendees signed each others shirts with their own graffiti tags! We had attendance prizes and raffled off a booze basket. We raised over \$3,500.

# P.A.I.G.E. Scholarships

Each year we award two college scholarships, one to a student at Oakville High School and one at Seckman High School. We choose these specific schools because the Oakville School District is where Paige spent most of her school years and the Fox School District, specifically Seckman, would have been where she graduated. This year, however, we had just one wonderful scholarship recipient.

This year's winner was:

**Tyler Jacobsmeyer from Seckman High School**

# P.A.I.G.E. Random Acts of Kindness Awards

Being kind to others is who Paige was to her core. We like to recognize kids being kind to those around them, to honor Paige and to encourage them to continue spreading kindness.

This year's RAK recipients:

**Jack Seisener from Hamrick Elementary School**

**Margo Crooks from Oakville Elementary School**

# Endowment at St. Louis Children's Hospital

We've funded the Paige Sandra Murie Suter endowment at St. Louis Children's Hospital since December of 2012. We started the endowment with \$12,000 and now it is at over \$188,000.

This endowment funds the Pediatric Neurocritical Care Program, which was run by Dr. Jose Pineda, who treated Paige at St. Louis Children's Hospital when she suffered a fatal brain aneurysm in 2006, until 2025. The new head of the department is Dr. Kristin Guilliams.

Funds are used to educate first responders in identifying and caring for children with brain injuries as well as multi-disciplinary treatment for children once they arrive at the hospital, leading to better outcomes for recovery.

We could not continue to fund the endowment without your help, thank you for your support to our organization. Our hope is that no other family must grieve the loss of a child to brain injuries or illness.

# Updates from P.A.I.G.E

As you may have noticed under the “Upcoming Events” we have some changes to our events! We shared in September last year that Graffiti Pub Crawl was our final Pub Crawl. But we listened (and we were going to miss it too) and we are bringing the Pub Crawl back!

The P.A.I.G.E. Pub Crawl is moving to a \*hopefully\* cooler time: Saturday, June 13th. Check out our website in the spring for the Pub Crawl theme reveal and registration!

Not only are we shaking things up with the Pub Crawl, but we're also doing our first ever Color Run! We want to bring a family friendly event to our supporters and that's what this day will be.

So check back this summer for more updates and registration for the P.A.I.G.E. Color Run on Saturday, October 10th!
