Dear Friend of P.A.I.G.E. Foundation,

P.A.I.G.E. (Precious Angel in God's Embrace) Foundation, a 501c(3) not for profit organization. We are Paige's legacy. We remember her by helping St. Louis area children in need by raising money to fund hospitals' programs and not-for-profit organizations serving children. A special endowment has been created in her memory, the ***Paige Sandra Murie Suter Endowment for the Pediatric Neurocritical Care Program*** at St. Louis Children's Hospital.

Once upon a time...there was a sweet, darling little girl named Paige Sandra Murie Suter. With a deep sense of right and wrong, and being quite spiritual for a ten-year-old, she never hesitated to help a classmate and even tried to donate all the money from her piggy bank to help those in need. On September 20, 2006, Paige arrived home from her speed skating lesson and suffered a **very sudden and unexpected, massive brain aneurysm**. Paige hung on until the next day...so that her Mommy and Daddy and big brother could kiss her one last time and share one last family hug. On September 21, 2006, Paige passed away due to that brain aneurysm, leaving behind a legacy of love, faith and kindness that we are determined to spread throughout the St. Louis community.

On Saturday, September 6, 2025, we will be holding our annual P.A.I.G.E. Pub Crawl to raise money for the endowment. The Pub Crawl will raise money for the endowment, along with **Wings Hospice Program (St. Louis Children's)**, in-home Pediatric Palliative Care Program, children with a life-limiting illness receive extraordinary hospice care – and their families receive extraordinary support.
