- a. The right of the Association to limit the number of guests of members permitted to use the common area;
- b. The right of the Association to prescribe rules and regulations for use of the common area;
- c. The right of the Association, in accordance with the Articles and By-laws, to borrow money for the purpose of improving the common areas and the facilities and in aid thereof to mortgage said common areas' facilities for such purposes, and the rights of any mortgagee in said properties shall be subordinate to the rights of the homeowners hereunder;
- d. - e. The right of the Association to dedicate or transfer all or any part of the common areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by members entitled to cast a two-thirds of the votes of the Class A membership and a two-thirds of the votes of the Class B membership, if any, has recorded in the appropriate records of Lane County, Oregon, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty (30) days nor more than ninety (90) days prior to such dedication or transfer;
- f. The right of the Directors of the Association to promulgate reasonable rules and regulations governing such rights of use, from time to time, in the interest of securing maximum safe usage of the common areas by the members of the Association without unduly infringing upon the privacy or enjoyment of the owner or occupant of any part of said property, including, without being limited thereto, rules restricting persons under or over designated ages from using certain portions of said property during certain times, and reasonable regulations and restrictions regarding parking and use of the swimming pool.

Section 2. Delegation of Use. However, the common area, with all the improvements, must be deeded to the homeowners association prior to the sale of the first lot.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of

Assessments. The Declarant hereby covenants for all of said property and each owner of any residence location upon acceptance of a deed, contract of purchase, or leasehold interest, whether or not it shall be so expressed in any such deed or other conveyance or agreement for conveyance, is deemed to covenant and agree to pay to the Association, (1) regular annual or other regular periodic assessments or charges as established by the Association from time to time, and (2) special assessment for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The regular and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time such assessment became due. The obligations shall remain a lien upon the property until paid or foreclosed, but shall not be a personal obligation of successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in said property and in particular for the improvement and maintenance of said property, services and facilities devoted to this purpose and related to the use and enjoyment of the common areas, the residence locations and residences situated upon said property.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately the conveyance of the first residence location to an owner, the maximum regular monthly assessment shall be \$ 50.00----- for each residence location subject thereto.

- a. From and after January 1 of the year immediately following the conveyance of the first residence location to an owner, the maximum monthly assessment may be increased or decreased effective January 1 of each year, beginning January 1, without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C., or successor U.S. governmental agency) from July of the year in which these covenants are recorded to July of the year preceding the year in which such increase becomes effective, taking into consideration prior increases in such maximum, if any.

- b. From and after January 1 of the year immediately following the conveyance of the first residence location to an owner, the maximum monthly assessment may be increased above that determined by reference to the Consumer Price Index, as aforesaid by a vote of the members, provided that any such increase shall be approved by the affirmative vote of not less than fifty-one percent (51%) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.
- c. After consideration of current maintenance costs and future needs of the Association, it may fix a regular flat assessment upon a monthly, quarterly, or annual basis at an amount not in excess of the maximum specified above.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the common areas, including the necessary fixtures and personal property related thereto, provided that any such special assessment for structural alterations, capital additions or capital improvements shall require the assent of a fifty-one percent (51%) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. This section shall not prohibit the Directors from authorizing capital expenditures for replacements or repairs or improvements from funds generated by regular assessments.

Section 5. Uniform Rate Assessment. Both regular periodic assessments and any special assessments must be fixed at a uniform rate for all residence locations and may be collected on an annual, quarterly or monthly basis in the discretion of the Association, except as qualified in Article X for Exterior Maintenance.

Section 6. Quorum for Any Action Authorized Under Sections 3. and 4. At the first meeting called, as provided in Sections 3. and 4. hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forth-

coming, at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 3. and 4. and the required quorum at the precedent meeting. No such subsequent meeting shall be held more than sixty (60) days following the date of the meeting at which no quorum was forthcoming.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all residence locations thirty (30) days after the sale of the last residence on said property, or conveyance of the common area to the Association whichever first occurs. The first regular assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of the regular assessment at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Association. The Association shall upon demand at any reasonable time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified residence location have been paid. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum. The Secretary of the said Association shall file in the office of the Director of Records, County Clerk, or appropriate recorder of conveyances of Lane County, State of Oregon, within one hundred twenty (120) days after delinquency, a statement of the amount of any such charges or assessments together with interest as aforesaid, which have become delinquent with respect to any residence location on said property, and upon payment in full thereof, shall execute and file a proper release of the lien securing the same. The aggregate amount of such assessment, together with costs and expenses and a reasonable attorney's fee for the filing and enforcement thereof, shall constitute a lien on the whole residence location with respect to which it is fixed and on any improvement thereon, from the date the notice of delinquency thereof is filed in the office of said Director of Records or County Clerk or other appropriate recording office, until the same has been paid or released as herein provided. Such lien may be enforced by said Association in the manner provided by law with respect to liens upon real property. The owner of said property at the time said assessment becomes due shall be personally liable for the expenses, costs and disbursements and attorneys' fees shall be secured by said

7969255

lien, including fees on appeal. The owner at the time such assessment is incurred, shall also be liable for any deficiency remaining unpaid after any foreclosure sale. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common areas or abandonment of his residence location or any improvement thereon.

Section 9. Subordination of the Lien to Mortgagees. The lien of the assessments provided for herein shall be inferior, junior and subordinate to the lien of all mortgages and trust deeds now or hereafter placed upon said property or any part thereof. Sale or transfer of any residence location or any other part of said property shall not affect the assessment lien. However, the sale or transfer of any residence location which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to amounts thereof which became due prior to such sale or transfer; and such lien shall attach to the net proceeds of the sale, if any, remaining after such mortgages and other prior liens and charges have been satisfied. No sale or transfer shall relieve such residence location and any improvements thereon from liability for any assessment thereafter becoming due or from the lien thereof.

ARTICLE VIII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the properties and placed on or immediately adjacent to the dividing line between the Residence Locations owned by different persons shall constitute a party wall. Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the owners whose Residence abut such wall.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it. Each party shall choose one arbitrator, and such arbitrator shall choose an additional arbitrator, and the decision shall be by a majority of all the arbitrators, whose decision will be binding upon the parties thereto.

Section 7. Encroachments. If any portion of a party wall or other part of a Residence building or structure now or hereafter constructed upon said property encroaches upon any part of the common areas or upon the Residence Location or Residence Locations used or designated for use by another Residence Location owner, such encroachment shall be made known to the Architectural Committee which will investigate the origin, length of time and extent of the encroachment. If the Committee finds that it would be a hardship on the present owner of the structure which is now encroaching to have the encroaching material removed, then an easement for the encroachment and for the maintenance of same is granted and reserved and shall exist, and be binding upon the Declarant, the Association and upon all present and future owners of any part of said property for the benefit of the present and future owners of such encroaching building or structure for the purpose of occupying and maintaining same; and in the event a structure consisting of more than one Residence becomes partially or totally destroyed or in need of repair or replacement, mutual and reciprocal easements are granted and reserved upon the common areas and in and upon each residence and Residence Location for the benefit of the Association and the adjacent owner or owners to the extent reasonable necessary or advisable to make repairs and replacements; and minor encroachments resulting from any such repairs and/or replacements and the maintenance thereof are hereby granted and reserved for the benefit of the present and future owners thereof. The easements for encroachment herein granted and reserved shall run with the land.
