STEP 6	Return to Play	Normal Game Play	• Monitor Symptoms

- VHSL requires a 5-Step Return To Play Protocol.
- Protocol is based from the Pittsylvania County Schools Concussion Management Team.
- Each session requires 24 hr before next level. Recurrence of ANY Symptoms at ANY level requires 24 wait and repeat test at that level. Failure to progress requires referral for consult/additional testing.
- Notify your coach and school nurse at the next availability if your symptoms return.
