Certificate of Achievement

Michael Shew

~

Has successfully completed a Foundations Training Course for

ISO 27001

Information Security Management Systems

The 6-hour foundations course included the requirements for implementing and maintaining *Information Security Management Systems* (ISMS) and a quiz for determining learning effectiveness.

Also, the course included some practical guidance for meeting the requirements of the ISO 27001 Standard, including:

- Rationale for *implementing ISMS;*
- The importance of *using the ISO Process Approach;*
- The importance of *Leadership from Top Management;*
- The value of *Documented Information* Controlled by the ISMS;
- The necessity to establish and maintain applicable objectives and controls;
- The importance for evaluating the *performance of processes* relevant to the ISMS;
- Auditing and reviewing the ISMS for *continual improvement.*
