Monthly	\$550	\$495	\$440	\$385	\$330	\$275

HOW YOUR DISCOUNT WORKS

Discounts are calculated from the regular recurring rate, rather than the previous discounted rate.

A referral must begin qualifying recurring service and complete/pay for the required service to activate.

Active accounts support active discounts; a discount may decrease if a qualifying client leaves the network.

Referral discounts exclude one-time deep cleans, add-ons and specialty work unless specifically stated.

Rates shown apply to the listed service frequencies. Every 2 weeks means every 14 days.

Final pricing and eligibility are confirmed after consultation under my current Referral Rewards policy.

Thank you for recommending my business. I appreciate your trust and continued support.
