

REFERRAL REWARDS

Grow your referral network. Save up to 50% on qualifying recurring service.

One introduction can keep growing. When a new client joins qualifying recurring service through your referral network, your discount increases by **10%**. Downstream referrals count too, until you reach five active qualifying clients and the **50% maximum discount**.

HOW THE NETWORK GROWS

START	Lacey	START	Original client
1	Susan	10%	Lacey refers Susan
2	John	20%	Susan refers John
3	Mary	30%	John refers Mary
4	David	40%	Mary refers David
5	Sarah	50% MAX	David refers Sarah

Example: Lacey refers Susan and earns 10% off. Susan later refers John, so John also counts toward Lacey's network and Lacey moves to 20%. This continues downstream until Lacey has five active qualifying clients and reaches 50% off.

EVERY CLIENT CAN BUILD THEIR OWN NETWORK

Susan can build her own network beginning with John, John can build his beginning with Mary, and so on. Each client's discount is tracked independently and is capped at five active qualifying clients, or 50% off.

PROGRAM RULES

- **10% per active qualifying client** in your referral network.
- **Five qualifying clients = 50% maximum.**
- **Downstream referrals count.** A qualifying client does not have to be referred directly by you if they entered through your existing referral network.
- A referral must begin qualifying recurring service and complete/pay for the required service before the discount activates.
- **Active accounts support active discounts.** If a qualifying recurring client leaves the network, the applicable discount may decrease.
- Each client's referral network and discount are tracked independently.
- Discounts apply only to qualifying recurring cleaning service, have no cash value, and do not apply to excluded add-ons, specialty work, or one-time services unless specifically stated.
- A Better Clean Coastal may verify referral relationships and eligibility and may update the program prospectively to protect fairness and sustainability.

REFER. GROW. SAVE.

Five active qualifying clients in your referral network can earn you **50% OFF** qualifying recurring service.

Final eligibility and qualifying service requirements are determined under the current A Better Clean Coastal Referral Rewards policy.
