Check by Fax or Email is a simple and quick process that can eliminate the uncertainties associated with postal delivery or eliminates costs for overnight services. It allows you to make immediate payment by providing your authorization in the form of a signature and faxed or emailed-attached check.

The signatory of the check gives permission to Members Advantage, LLC DBA: **Restaurant Advantage** or its affiliates to accept the check herein or attached to create a bank draft and debit my bank account with this information. The faxing or email attachment of the form and/or attachment of a check constitutes your authorization to negotiate payment.
