## ABOUT THE CHART

### 1. WHEN DOES THE DAY OF THE LORD BEGIN?

**ASSUMPTION:** Isn't the day of the LORD relevant only in the confines of the New Testament with its future contexts considered?

**EXPLANATION:**

The day of the LORD is a reference to God's judgment in general. Specifically, it commenced with Israel's rejection of God's leadership under Samuel the prophet. We are actually in it! It will continue to the new heaven, the new earth, and the New Jerusalem. The day of the LORD sees its long history end at the completion of the millennial reign of Jesus Christ and after the Great White Throne Judgment.

### 2. WHY IS THE LABEL, WE ARE HERE, PLACED WHERE IT IS?

**ASSUMPTION:** Are not the tribulation and the great tribulation separate time periods AND are not these both within the final seven years of Daniel's 70<sup>TH</sup> Week?

**EXPLANATION:**

There are ONLY 3.5 years left—the last half of Daniel's 70<sup>TH</sup> week. We are currently in the tribulation, NOT anticipating it. This time is also known as “the beginning of sorrows.” The beginning of sorrows corresponds exactly to the five seals we read about in Revelation 6. This period began when Jesus' ascended to heaven. The beginning of sorrows ends when the sixth seal is opened. Below are five of the six seals that have been opened:

- a counterfeit 'Christian' religious system (hence white horse—appears righteous, 'Christian')
- war (red horse)
- famine and pestilence, earthquakes (black horse)
- sword-hunger-death-beasts (pale horse)
- Christian martyrdom

### 3. WHY ARE THERE ONLY 3.5 YEARS AND NOT 7 YEARS AS THE OTHER TRIBULATION VIEWS REVEAL?

**ASSUMPTION:** All of the tribulation views agree on this 7-year period, therefore they all must be correct, right?

**EXPLANATION:**

Since, when in science OR matters of the Bible do we accept truth based on consensus of what a majority of people believe the 'truth' to be. I'm not going to explain this to you. I'm going to have you discover this for yourself. Get yourself a King James Bible and read Daniel 9:24-27, paying particular attention to the last verse. You will notice that the subject of all four verses is Jesus Christ— “the most Holy,” “Messiah the Prince,” “Messiah,” “himself,” and “he,” (2X) in the last verse. If you can't figure this out, I can't help you. It should be obvious. It's called subject-pronoun agreement. Do not read ANY commentaries on this. They will not give you what the Holy Spirit can only give you—

God's wisdom. Suffice it to say, the enemies of Jesus want you to believe that the subject of verse 27 is Satan, AND that the seven years is future, AND that Satan makes a phony peace agreement with Israel during this non-existent seven-year period. **The most popular** tribulation views incorporate these three felonious assertions into their charts. Don't take my word for it. LOOK!

#### 4. WHY DO YOU PLACE THE RAPTURE WHERE IT IS?

**ASSUMPTION:** The typical assumption when examining the Olivet Discourse is that what Jesus is speaking about is his Second Coming. The contexts do not bear this out. Also, at the end of the judgments on earth, prior to his Second Coming, Jesus does not return to receive his own. Jesus' own are coming from heaven on white horses following their Warrior, Judge, and King of kings. Christ will annihilate those meeting in the Valley of Decision, on their way to Jerusalem, with a flesh-eating consumption as well as the word proceeding from his mouth.

#### **EXPLANATION:**

What Jesus shares with his disciples is NOT his Second Coming but rather his rapture of believers. Jesus said to "watch." What do you see? Like Jeremiah the prophet, I see my beloved country given over to vice, greed, and extreme spiritual blindness and deafness. If you don't think we are at the doors, you are in the abyss of a serious discernment crisis. The rapture is next on the prophetic calendar. All of scripture points to it.

#### 5. WHO IS THE 3.5 YEARS FOR? AND WHAT IS ITS PURPOSE?

**ASSUMPTION:** Isn't God finished with the Jewish people?

**EXPLANATION:** If you examine the whole 470-year period in Daniel 9:24-27, Daniel a Jewish prophet, was told by the archangel Gabriel, that this whole period of time was **exclusively directed** to the nation of Israel. This is as obvious as the nose on my face. People who say God is finished with national Israel don't know their Bible AND have any clue what they're talking about. The 3.5 years is to get Israel to repent of their national sin of rejecting their Messiah as the true God they should serve. Hopefully, many will heed the message coming from 144,000 of their brethren AND the two witnesses in Jerusalem.

#### 6. WHEN WILL THE THIRD JEWISH TEMPLE BE CONSTRUCTED AND COMPLETED?

**ASSUMPTION:** Won't the Jewish temple be constructed and completed within the 7-year period?

#### **EXPLANATION:**

Remember, there is no 7-year period! The Jewish temple construction and completion will occur sometime between the sixth seal and before the sound of the first trumpet, inaugurating the 3.5 years. We know it will be within the 3.5-year time frame because Daniel 12:11 says this, "And from the time *that* the daily *sacrifice* shall be taken away, and the abomination that maketh desolate set up, *there shall be* a thousand two hundred and ninety days."

Remember, it will take the beast thirty days to set up his image in the temple once the temple's construction is complete. Before the first of the seven trumpets sound, a great earthquake will destroy the Al-Aqsa Mosque (Islam's Dome of the Rock). This will be the opportunity for the rightful heirs of this piece of real estate, the Jewish people, to construct the third Jewish temple.

#### 7. ARE THE 144,000 JEWISH EVANGELISTS, JEWISH EVANGELISTS?

**ASSUMPTION:** The Jehovah's Witnesses disregard what the scriptures clearly say, namely that the 144,000 evangelists are indeed JEWISH!

#### **EXPLANATION:**

In spite of what Jehovah's Witnesses tell you, they will not be in this select group. The Bible is clear on this . . . Except the J.W.'s. This is precisely why I don't have anything to do with denominationalism or sectarianism. I'm tired of these personalities in love with themselves, and inventing these ridiculous doctrines of men.

#### 8. I DON'T FIND THE MENTION OF A SEVEN YEAR PERIOD ANYWHERE IN THE BOOK OF REVELATION?

**ASSUMPTION:** Doesn't Daniel 9:27 say there are seven years left?

#### **EXPLANATION:**

Absolutely NOT. Does Revelation hint of a seven-year period? NO!!! I've explained earlier where the fabricated seven-year period arose—from a Jesuit named Francisco Ribera (1537-1591). He was attempting to deflect suspicion away from Rome as the woman on the scarlet-colored beast and her identity as revealed in Revelation 17:9. He decided to pull a fast one on people who don't read or study their K.J.V. Bible. He falsely claims the subject in Daniel 9:27 was Satan, when anyone could see it was Christ. He also put the whole seven period into the future—futurism.

#### 9. WHAT IS THE PURPOSE OF THE RAPTURE?

**ASSUMPTION:** Within the 7 years, pre-tribulation, mid-tribulation, post-tribulation, neopost-tribulation, and pre-wrath raptures have this event at different locations. Given this evidence, should I trust their views?

#### **EXPLANATION:**

Well, considering they reject the clear teaching of scripture (Daniel 9:27) and make the Bible say something God never intended, I'd say avoid 'em. The purpose of the rapture, or the bodily snatching away of believers physically, is twofold. The **primary purpose** of the rapture is deliverance of Jesus' elect from God's DIRECT, PERFECT, and ACTIVE judgments on earth. The **secondary purpose** for the rapture is to remove the Holy Spirit's restraint on evil, "only he who now letteth *will let*, until he be taken out of the way." This is disclosed in II Thessalonians 2:6-8. It is in this lack of any physical restraint on evil, that the beast will be permitted to come to power.

Understanding the function of the rapture, gives the individual a reason for understanding the purposes of Providence in light of the larger, sovereign plan for the end of the ages. In a careful study of Jesus' comments in Acts 1:9, 11,<sup>1</sup> before his ascension, he tells his disciples that he will come the same way he ascended, in the clouds. Tribulation experts and the Protestant Church assumption is that Jesus is speaking of his Second Coming. He is NOT! Think about it. It says in Revelation, Jesus comes at the end of a precise period of time, namely 3.5 years, 1,260 days, or 42 months. We know when he will return. That is not the case for the first resurrection-rapture event. That happens when the sixth seal is opened. When he comes at the end of the 3.5 years, his Second Coming, Jesus will come with his saintly host all on white horses, following their Judge and Warrior with fire in his eyes, bloody mantle over his thigh with the words KING OF KINGS, AND LORD OF LORDS. Christ will also be donning crowns upon his head, and the Warrior's sword of God proceeding from his mouth. It says in Revelation 19:11 that heaven is opened. **No evidence or suggestion of clouds.**

10. **IN THE OLIVET DISCOURSE FROM MATTHEW 24, MARK 13, AND LUKE 21, ARE WE READING ABOUT JESUS' SECOND COMING OR THE FIRST RESURRECTION-RAPTURE?**

**ASSUMPTION:** In the passages from above Jesus is speaking of his Second Coming, right?

**EXPLANATION:**

There are three questions Jesus' disciples ask him in the Olivet Discourse:

- i. When will the temple be destroyed?  
This question begs the disciples to have Jesus tell them sequence in time
- ii. What will be the sign of Jesus' coming?  
Many falsely assume Jesus' disciples are asking the Master about his Second Coming. Can this be demonstrated by what Jesus' actually says? Scripture says NO.
- iii. When will the end of the world occur?  
The end of the world, as recorded in scripture, does not occur until the end of Jesus' millennial reign. Jesus tells his disciples that the end of the world will occur for his disciples who are living in this future time, when they are **raptured**.

**Now for more specifics.**

The answer to **number i** is:

The second Jewish temple was destroyed by Roman General, Titus, in 70 A.D., thirty-seven years after Jesus' crucifixion. This is history.

The answer to **number ii** is:

The actual sign of Jesus coming for his own is his appearance in the clouds. The same way he left, at his ascension.

---

<sup>1</sup> Acts 1:9, 11—And when he had spoken these things, while they beheld, he was taken up; and **a cloud received him** out of their sight. 11 Which also said, Ye men of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.

Remember, the sequence of time for the sign of Jesus coming for his own (the first resurrection-rapture event) is right after the opening of the sixth seal. In Matthew 24:29-31 the first to occur are the cosmic disturbances, then Jesus' appears in the clouds ("the sign of the Son of man"), and finally the rapture occurs.

Contextual scriptures hinting this is Jesus coming for his own in the rapture:

- I. In Matthew 24:22 it says the days will be shortened. How? By the rapture. I realize this passage is also talking about the Romans coming in and destroying the Jewish temple and dispersing the Jews, but it appears in the broader context of the great tribulation/tribulation ("those days," verses 19, 22). Great signs and wonders to deceive the very elect are occurring now:
  - [Fatima](#)—A small village seventy miles north of Lisbon, Portugal in 1916, three young children (Lucia dos Santos, Francisco, Jacinta Marto) witnessed an angel, The Angel of Peace, while shepherding their sheep. The angel told the children to pray, sacrifice, and offered them an opportunity to partake in a visionary Eucharistic celebration. This was the first of a series of religious experiences the children were exposed
  - (The comic, *The Force*, best viewed in Adobe Digital Editions, not [pdf](#).) A miraculous healing in Lourdes, France where a man missing a leg from the knee down saw the remainder of his lower leg, foot and toes return. Dr. Alberto Rivera witnessed this astounding healing and recognized its credit not being attributed to Jesus Christ, but Mary and the Roman Catholic Church
  - The signs throughout the last two centuries of the many alien beings in aircraft believed to be from other star systems, which are actually demons in man-made, anti-gravitational aircraft constructed here on earth. Their whole demonic cover has been [exposed](#). (You want to be @ 1:17:05 seconds)
- II. The reference to the days of Noah reminds one again that just as the judgment was without warning to the wicked during Noah's day, likewise it will be to the wicked prior to the seven trumpet and vial judgments, like a thief.
