## Meet Your Judges

Ray Stacy calls California home. He has been breeding rabbits for 55 years. He's spent the last 30 years as a well-known judge and has raised over 35 different breeds of rabbits. He has always had Satins and Silver Martens, but he currently also has Californians and Rhinelanders. Besides rabbits, he also grows and shows Camilla's, Roses, and Bearded Iris flowers. His best advise for raising rabbits is to find a breed that really appeals to you. Do some research and buy the best you can afford from a reputable breeder. Always get your hands on the animals if possible. And always have an outlet for your extras!

Allan Ormond is from Utah. He's been a key player in the rabbit hobby for 45 years. He's raised several breeds including Holland Lop, Mini Lop, French Lop, Satins, New Zealand, Florida Whites, Netherland Dwarfs, Dwarf Hotot, Silver Fox, Californian, and Triantha. Allan worked for the Salt Lake City Fire Department for just over 40 years and has been enjoying retirement for the last 10. He loves teaching youth at shows and our show committee is beyond thrilled to have him joining us! His advice for raising rabbits is to go slow, learn lots, and be gracious winners... and losers!

Scott Rodriguez is from Wyoming. He's been in the hobby for 42 years and has raised Holland Lops, Netherland Dwarfs, and Mini Lops. Besides being renowned in the rabbit world, serving as a member of the Board of Directors for ARBA and judging around the Nation, he's also an Ivy League educated attorney and a trained opera singer! His advise for raising rabbits is to have PATIENCE. It is definitely a marathon and not a sprint!

## Market Rabbit Show and Sale

The Utah 4-H and FFA Market Rabbit Project had their inaugural year in 2024. This show is completed in collaboration with the Utah State Fair Market Rabbit Show and Sale. This project is a short-term junior livestock project that helps youth develop the same fundamental life skills of our large livestock projects. Market rabbits come with far less of the financial and spatial requirements that can make large livestock projects inaccessible.

Entry Fee is \$5 per exhibitor and \$2 per additional rabbit entry.

### Eligibility

1. The Utah 4-H Market Rabbit show is open to Utah 4-H and FFA members in good standing. We welcome out of state participants, however out-of-state participant project animals will be exhibition only and will not be eligible for the sale.
2. The market rabbit project is considered "small stock" and is for youth as young as 5 years old and in kindergarten. Cloverbud project animals will be exhibition only and will not be eligible for the sale.

### Rules and Regulations

1. Youth exhibitors shall have ownership of rabbit entries for a **minimum of 30 days** prior to the day of the show. County extension staff or FFA advisors will be responsible for verifying ownership.
2. Entry Declarations Deadline: August 13<sup>th</sup>, 2025

Entry declaration forms must be completed through Zsuite registration:

4-H Declarations: <https://4h.zsuite.org/event-registrations/41346>

FFA Declarations: <https://4h.zsuite.org/external-event-registration/41346>

Eligible project animals are rabbits 4 - 8 weeks at the time of declaration (30 days before the show).

3. All rabbits exhibited must be tattooed in the left ear in order for the declaration to be completed. The tattoo needs to be permanent. Permanent marker will not be accepted.
4. Rabbits do not need to be purebred or pedigreed, but should be of commercial meat rabbit type.
5. All colors and meat rabbit breeds are accepted.
6. Exhibitors may declare up to 4 rabbits for the market rabbit project and will register and exhibit one entry per class (meat pen of 3 and 1 single fryer) at the fair.

7. Meat pens (pens of 3 rabbits) can be entered and exhibited by individuals, families, chartered 4-H clubs, and FFA chapters. Grand and Reserve meat pens are eligible for the sale with proceeds returning to the primary exhibitor/club/chapter to be divided amongst participants. The grand and reserve champion fryers will not be eligible for Meat Pens.
8. Exhibitors with rabbits showing in both individual fryer and meat pen classes will need to declare which animals they are selling.

#### Sale

1. Grand and Reserve Fryers and Grand and Reserve Meat Pens will sell and are exempt from the following rules.

#### Sale Order

After the Grand and Reserve Fryers and Meat Pens (a total of 8 rabbits) sell, up to 42 additional participant entries meeting the following criteria will be able to sell.

2. Only blue ribbon animals will sell
3. Only one project animal, per exhibitor, may sell (unless one exhibitor wins both grand and reserve)
4. Youth exhibitors must participate in Showmanship or the Skill-a-thon
5. Exhibitors must be in 3<sup>rd</sup> grade and 8 years old at the time their project starts (30 days prior to the show).

#### Classes – Market Rabbit Show

- *Judging Criteria: meat type, condition of flesh, fur*

## Showmanship & Skillathon

Rabbit showmanship is a contest to showcase a 4-H or FFA member knowledge of rabbits. It also includes the ability to handle and show the rabbit according to the American Rabbit Breeders Association breed standard, and the rabbit's cleanliness and condition.

Showmanship scorecards are found here: <https://extension.usu.edu/utah4h/files/Utah4H-RabbitShowmanshipScorecard.pdf>

The Skill-a-thon contest is a fun, interactive event that makes learning fun by letting 4-H and FFA members exhibit their knowledge and understanding of animal science and husbandry in a friendly but competitive setting. Full rules for the Small Animal Skill-a-thon can be found here: <https://extension.usu.edu/utah4h/files/SmallAnimal-Livestock-SkillAThon-2024.pdf>

For the Utah State Fair, the Skill-a-thon contest will include EITHER an educational demonstration or a showmanship presentation. Youth may choose to participate in Showmanship only, but all Skill-a-thon participants are encouraged to complete a showmanship presentation.

Entry Fee is \$5 per exhibitor.

## Educational Displays/Presentations

Youth and adult exhibitors that set up an educational display will receive a parking pass and additional fair tickets. All youth are encouraged to create an educational poster related to rabbits or cavy to display in the show barn. Awards will be given to the best poster.
