

## The Grave Could Not Hold Him

### Chorus

The grave could not hold Him and He came from the tomb  
He found His disciples filled with sorrow and gloom  
And after He blessed them He was carried on high  
The grave could not hold Him my Lord is alive

### Repeat Chorus

### Verse 1

They took my precious Lord and nailed Him to a tree  
He shed His blood there for you and for me  
They laid Him in a tomb and rolled a stone at the door  
But the grave could not hold Him, now He lives forever more

### Chorus

### Verse 2

Oh what a morning when our Lord returns  
All of the dead in Christ shall leave their lonely tombs  
We that remain down here are gonna suffer no more  
We'll be caught up together to be with our Lord

**Tag**...The grave could not hold Him my Lord is alive.  
The grave could not hold Him my Lord is alive.

## I Know What Lies Ahead

### Verse 1

This road I'm on is straight and narrow but it leads to a better home  
It was laid by Christ one day at Calvary while He suffered all alone  
This road may lead over many high mountains and valleys dark and low  
But I'll walk each day with sweet assurance and I'll safely reach my home

### Chorus

Ahead there's joy and gladness  
And rest for the weary soul  
Ahead there's peace and contentment  
Everybody will be happy and whole  
I'll be at home with Jesus  
Where tears will never be shed  
Though often this road gets rough and rocky  
Still I know what lies ahead

### Verse 2

While on this road I get so weary and often my feet would stray  
But a gentle hand still leads me onward and helps me find the way  
As I climb each hill and cross each valley by His hand I'm daily lead  
But I won't look back gonna keep on walking for I know what lies ahead
