December 17, 2025

Christmas Letter 2025

Dear (Customer),

Season's greeting from our family to yours! Before we start the new year 2026, we want to thank you for being part of our forty-fifth year in business. We are honored to continue serving all of you, including so many of our original customers from over four decades ago with our highest quality products and services. Many of these early customers started with our founder, my father Robert (Bob) Palmer, a/k/a Grandpa "Bob." We remain grateful to all our customers who we have the pleasure of serving, including the new ones!

We congratulate you on your success and hope to remain part of your future success with the quality products that we provide! We continue to invest in and upgrade our modern processing equipment and safety technology to deliver the quality products you request. My father would be proud of our growing family business today as well as the continuing success of our customers. We look forward to many years of a mutually beneficial and successful relationship! Lastly, please check out our updated web site for a current product list, photos, and history: www.palmerhousefoods.com
