

Starlink Gen 3 Vision Plus Pole Adapter Fitting Instructions

- Remove the existing Vision Plus pole, and unscrew the locking screw from the Vision Plus Antenna and End Cap.

- Push the Starlink Cable through the new End Cap and then up and through the Vision Plus Pole and then through the Gen 3 adapter fitting.

- Fit the new End Cap and Gen 3 Adapter Fitting onto each end of the Vision Plus Pole, and align the holes with the encapsulated stainless-steel nut inside the End Cap and Gen 3 Adapter.

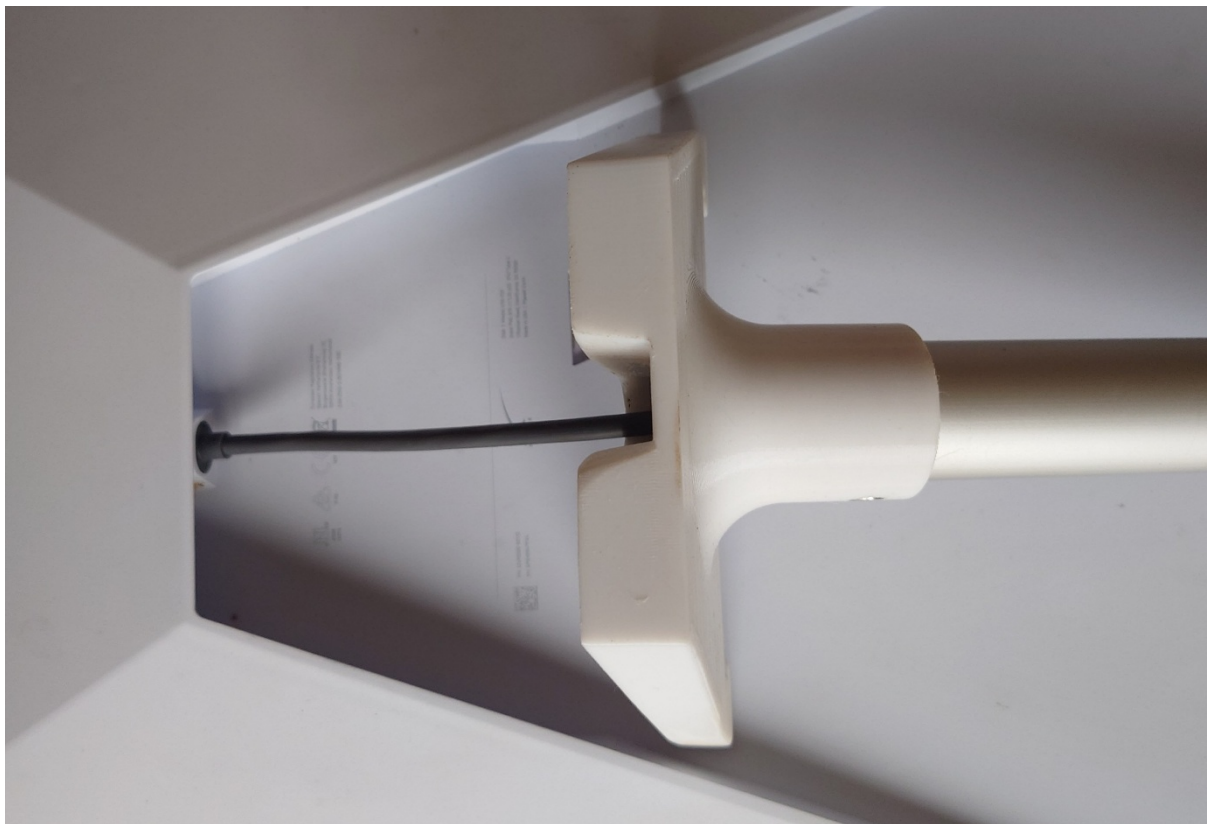

Starlink Gen 3 Vision Plus Pole Adapter Fitting Instructions

- Replace and tighten the locking screws on the End Cap and Gen 3 Adapter Fitting onto the Vision Plus Pole.

- Feed the Starlink cable through the Gen 3 Adapter Fitting and connect to the Starlink.
