Starlink Mini Vision Plus Pole Adapter & End Cap – V8 Fitting Instructions

****IMPORTANT - THIS ADAPTER WILL ONLY FIT THE ORIGINAL STARLINK MOUNT**

(THUMB SCREW VERSION) AS SHOWN IN THE PHOTOS**

- Remove the existing Vision Plus Pole from your caravan or motorhome and unscrew the locking screw connecting the Aerial Antenna so it can be removed.
- Unscrew the locking screw at the bottom of the Vision Plus Pole to remove the existing End Cap.
- Feed the Starlink power cable and network cable through the new End Cap into the Vision Plus Pole, or if you are using a POE Adapter connect your network cable first and fit the POE adapter inside the Vision Plus Pole.
- Feed network cable and if required the power cable up through the Vision Plus Pole and then through the Adapter fitting.
