

About us:

The Octavian Foundation for the Arts, locally known as the New Octavians, is a non-profit performing arts academy in Hammond. We strive to serve our community by promoting excellence in the arts, supporting our fellow thespians, and providing opportunities to all members of our community. Our organization provides educational activities for youth and adults in performing arts, culminating in live stage productions for the viewing pleasure of audiences of all ages. Our goal is to provide quality instruction and first-class performances. In addition to our live stage productions, we are committed to the education of the arts by offering lessons, classes, and camps for voice, piano, acting, and dance.

Why we need community support:

Individuals can gain a wide range of advantages from learning performing arts. This includes the ability to think creatively, innovate, and respect others from different cultures and origins. Members are encouraged to express their emotions, use their imagination and find their own distinct voice. To boost self-confidence and enjoy expression, each of the arts (dance, music, and theater) engages their brain, body, and emotions in unique ways. Studies have found that those who participate in the performing arts perform better in academic courses, have stronger communication skills, and are more equipped to succeed in their chosen career fields. With the help of our sponsors the 2023 season was able to produce sold out shows including OZ, Mean Girls, Tarzan, Southern Fried Funeral, and A Christmas Carol, 2 holiday showcases, summer camp, and numerous voice, dance, and acting lessons.

With your help and support, we can continue to provide these unique opportunities for the people of the Northshore and more! Please consider contributing and supporting the arts. Any donation is greatly appreciated. We also offer some sponsorship packages listed on the attached form. All donations are tax deductible and receipts will be provided. Donations can be made in person, by mail to our PO Box or via our website at <https://theoctavians.org/donate-today>.

Thank you for your support,
