

# We-Learn About the New ILEARN State Assessment Math Grades 6-7-8

Presented by: Robert Trammel

*The purpose of this workshop is to help educators understand and prepare for the new ILEARN state math assessment scheduled for April-May of 2019. The Department of Education (DOE) has provided very helpful resources for students, parents, and teachers to achieve this goal.*

*The objectives of the workshop are to:*

- learn about the connections among content standards, process standards, depth of knowledge levels (DOK) and problem solving strategies.*
- learn how to evaluate the (DOK) level for math problems and/or activities.*
- learn how to use new resources provided by the DOE linked to the new ILEARN state math assessment for 2018-19.*
- learn how to use other classroom-ready math resources aligned to the new ILEARN state math assessment for school year 2018-19.*
- create a new math curriculum map (calendar) based upon the 2014 Indiana Academic Standards with a particular focus on “Super Standards.”*
- work in grade-level teams to create DOK math problems and/or performance tasks at level 3.*
- work in grade-level teams to create bell ringer activities or math problems aligned to the “Super Standards.”*

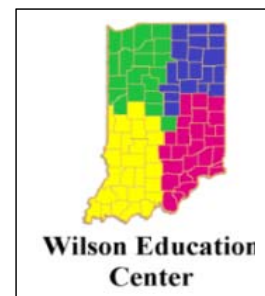

**Date:** August 29, 2018

**Time:** 8:30 a.m. Registration  
9:00 a.m. – 3:00 p.m. Workshop Hours

**Location:** Wilson Education Center

**Cost:** \$125 ESC Members  
\$250 Non-ESC Members

**Questions:** Call 800.326.5467 or send an email to [ismullins@wesc.k12.in.us](mailto:ismullins@wesc.k12.in.us)

**Registration:** [www.wesc.k12.in.us](http://www.wesc.k12.in.us)
