

## **The Indiana Department of Education Office of School Improvement will be Offering Supports for Technical Assistance with Comprehensive Needs Assessments and School Improvement Plans for Comprehensive Support and Improvement (CSI) and Targeted Support and Improvement (TSI) Schools**

All schools identified as Comprehensive Support and Improvement (CSI) or Targeted Support and Improvement (TSI) in the fall of 2018 will be required to complete a unified Comprehensive Needs Assessment (CNA) and School Improvement Plan (SIP) for the 2019-2020 school year. The CNA/SIP completed by these identified schools must fulfill all Indiana Code requirements as well as the new extensive requirements of ESSA. Schools identified as CSI and TSI are strongly encouraged to attend this informational session led by the Indiana Department of Education's Office of School Improvement. The session will include:

- Information concerning how CSI and TSI schools were identified and what they must do to exit improvement identification.
- An explanation and walkthrough of the IDOE unified CNA/SIP template that fulfills all federal and state requirements.
- A tutorial on how to utilize IDOE CNA/SIP tools and supports (e.g., Moodle course, exemplars, webinars, and etc.).
- An overview of the IDOE Office of School Improvement's supports for schools identified as CSI/TSI.
- Question and answer session.
