Integrating the Indiana Literacy Framework

Into Classroom Instruction:

Grades 3-12 All Content Areas

Participants are encouraged to bring a copy of a current learning unit or lesson plan they wish to analyze. In addition, a copy of the standards that align with the lesson or a laptop to access the standards will prove helpful.

Participants will:

- Examine the **Literacy Framework** to become familiar with its components
- Discover how the Literacy Framework aids teachers in planning lesson plans and units aligned with the
 Indiana Standards
- Become familiar with ways to **modify instruction** for **English Learners and Special Education** students
- Consider ways to modify and evaluate existing curriculum maps to ensure alignment with the literacy standards
- Create a lesson plan aligned with the Indiana Standards, using the Literacy Framework
