Labor Day:
The Wilson Education Center
will be closed Monday
September 7th.

Covid-19 Precautions

FOSS (Full Option Science Systems)

FOSS consists of twenty-six, K-6, self-contained modules. Each of which focuses on a different topic within areas of scientific reasoning and technology, physical science, earth science, and life science. These modules provide an excellent complement to your existing curriculum or as a stand-alone. Participants will learn how to involve their students in meaningful activities and experiments.

GEMS (Great Explorations in Math and Science)

GEMS Kits are a leading resource for innovative science and mathematics education. Developed at the Lawrence Hall of Science, the public science education center at the University of California Berkeley, and tested in thousands of classrooms nationwide, GEMS Teachers Guides and handbooks offer a wide range of supplementary learning experiences for preschool through grade 8.

The Wilson Center has over 100 FOSS and 20 GEMS Kits available for loan.

For a complete description and listing of FOSS and GEMS Kits, please go to

Step by Step Instructions to Purchase

Login to the system.

Create a New Requisition (complete Requisition Name and enter into the Notes: must have lift gate and 24 hour call prior to delivery.)

Select New Item. The screen will refresh. Select your Ship To and Budget Code.

Under Select New Item Type – click in the round button next to Catalog Line Item. In the left side of blue box, enter the Item number (from above) into Vendor Product Number and click on Search

Enter the number of pallets or truckload you wish to purchase and click on Add to Cart. Done correctly, it will state "Item Added Successfully." Click on the link Back to Requisition.

If shopping is completed, click on the link - Submit Requisition to move it through the Approval Flow.

As always, thank you for your continued support; it is greatly appreciated.

The Motz Group
Building Fields. Building Futures.

in **PARTNERSHIP** with **Wilson Education Center** to
 deliver high-performance synthetic turf fields

CHOOSE MOTZ FOR HIGH-PERFORMANCE SYNTHETIC TURF SPORTS FIELDS AND TRACKS:

Are you thinking about upgrading your sports fields? Look no further than IAESC Procurement. As a founding member of AEPA (Association of Educational Purchasing Agencies-the national buying purchasing cooperative), IAESC Procurement has awarded bids for sports turf fields, signage and scoreboards, as well as sports lighting. Several Indiana school corporations have taken advantage of this opportunity and utilized these bids to complete projects. Examples include: Center Grove CSC, Sunman Dearborn CSC, Baugo Community Schools, Noblesville Schools and Middlebury Community Schools. IAESC Procurement is excited that more corporations have pending projects as well.

The Motz Group has been building fields and futures through expertly designed sports turf fields for over 40 years. As athletic field specialists, they offer an advanced series of systems to accommodate various sports and their specific performance requirements. The Motz Group is an expert in natural and synthetic sports turf and knows the distinct qualities of each type of turf that will enhance your team's playability, performance, and safety. The synthetic and natural turf solutions are fit for a variety of sports including football, soccer, baseball, softball, lacrosse, and field hockey. The Motz Group's proudly delivers winning solutions to Ohio, Indiana, and Kentucky, as well as West Virginia, Western Pennsylvania, and Southern Michigan. The Motz Group is dedicated to building specially designed fields through innovative development and research. The company was founded in 1977 and is based in Cincinnati, Ohio.

Daktronics is a world leader of informing and entertaining people through dynamic audio-visual communication systems. Daktronics designs, manufacturers, builds and installs scoreboards, video displays, electronic message centers, pool timing systems, outdoor stadium sound systems, and rigging for arenas and theaters. If your school corporation is looking to purchase that special designed scoreboard for your gymnasium, football, baseball or track fields, look no further. Daktronics is a local service with lasting solutions. Its representatives in Indiana are committed to serving the schools with experienced local service, helping customers create lasting solutions. Daktronics workmanship is proudly displayed at the YUM Center, home of the Louisville Cardinals and most recently at Super Bowl 49.

Techline Sports Lighting is your affordable sports lighting solution. Techline Sports Lighting is able to provide the best products and service in the industry at a reasonable cost because of its single focus – sports lighting. Techline Sports Lighting manages an extensive inventory of poles and fixtures, so your lighting system is available when you need it, without lengthy delivery or installation periods. Depending on your exact needs, your order can be delivered and installed in as little as a week.

While spending more time at home

Have you thought about taking an online course based on your schedule ???

CALLING ALL *Educators*

VESi offers online continuing education courses for professional development and salary advancement.
