Are you thinking about upgrading your sports fields? Look no further than IAESC Procurement. As a founding member of AEPA (Association of Educational Purchasing Agencies-the national buying purchasing cooperative), IAESC Procurement has awarded bids for sports turf fields, signage and scoreboards, as well as sports lighting. Several Indiana school corporations have taken advantage of this opportunity and utilized these bids to complete projects. Examples include: Center Grove CSC, Sunman Dearborn CSC, Baugo Community Schools, Noblesville Schools and Middlebury Community Schools. IAESC Procurement is excited that more corporations have pending projects as well.

The Motz Group has been building fields and futures through expertly designed sports turf fields for over 40 years. As athletic field specialists, they offer an advanced series of systems to accommodate various sports and their specific performance requirements. The Motz Group is an expert in natural and synthetic sports turf and knows the distinct qualities of each type of turf that will enhance your team's playability, performance, and safety. The synthetic and natural turf solutions are fit for a variety of sports including football, soccer, baseball, softball, lacrosse, and field hockey. The Motz Group's proudly delivers winning solutions to Ohio, Indiana, and Kentucky, as well as West Virginia, Western Pennsylvania, and Southern Michigan. The Motz Group is dedicated to building specially designed fields through innovative development and research. The company was founded in 1977 and is based in Cincinnati, Ohio.

Daktronics is a world leader of informing and entertaining people through dynamic audio-visual communication systems. Daktronics designs, manufactures, builds and installs scoreboards, video displays, electronic message centers, pool timing systems, outdoor stadium sound systems, and rigging for arenas and theaters. If your school corporation is looking to purchase that special designed scoreboard for your gymnasium, football, baseball or track fields, look no further. Daktronics is a local service with lasting solutions. Its representatives in Indiana are committed to serving the schools with experienced local service, helping customers create lasting solutions. Daktronics workmanship is proudly displayed at the YUM Center, home of the Louisville Cardinals and most recently at Super Bowl 49. For news clip, [click here](#).

Techline Sports Lighting is your affordable sports lighting solution. Techline Sports Lighting is able to provide the best products and service in the industry at a reasonable cost because of its single focus – sports lighting. Techline Sports Lighting manages an extensive inventory of poles and fixtures, so your lighting system is available when you need it, without lengthy delivery or installation periods. Depending on your exact needs, your order can be delivered and installed in as little as a week.

For more information or to setup a meeting with these and/or any IAESC Procurement vendor, please contact us.

IAESC Procurement is very pleased its Statewide School Bus Program is booming and available year round. Purchase Periods begin 2/1 and expire on 1/31 of the following year. Base pricing may be amended by the vendor one time during the agreement period in the month of September to reflect new model year offerings.

Here at IAESC Procurement, we ARE the system that makes the difference for you. When your corporation purchases its school bus through IAESC Procurement, know that we stand behind you completely. We ensure our bidding procedures have met all bidding requirements and laws as set forth by the Indiana State Board of Accounts. We will provide all needed documentation at audit time. So, if you are working with the one of the vendors directly: Kerlin Bus Sales, Midwest Transit or MacAllister Power Systems, let them know you wish to utilize and have your bus build completed within IAESC Procurement. Want to do it yourself; please contact me. I will be happy to assist you in building a bus. Customize your bus options with a click of the mouse!

Just a few tidbits:

IAESC Procurement Statewide School Bus Program Began November 2011; Now Available Year Round  
 Began its 12th bid period effective 2/1/19  
 1,500+ Buses Sold – Over \$130 Million in Purchases  
 Over 200 School Districts Participate  
 All sizes and models available – including in-stock units  
 Side-by-side price comparison by vendor  
 Trade-ins evaluated prior to purchase  
 Vendors: Kerlin Bus Sales, Midwest Transit, MacAllister

To continue this successful program, YOU are cordially invited to attend the 2020 Bus Bid Meeting to assist in finalizing bid documents and specifications. So mark your calendar, save the date and plan to attend! See attachment for more information.
