

about us

YOUR BEAUTY MATTERS

Not only do we care about your skin, but we also care about what's within. **Queen Esther's Beauty mission** to inspire women to see themselves as more than what's on the outside, but what is **skin deep**. We have been called "**for such a time as this**."

"We must take care of our bodies from the place of **love**, not hate. **Self-care** is more than just a daily regimen, but recognizing that the more we take care of ourselves, the more we will have to give unto others.

As women we are called to live **royally feminine lifestyles**. It is time to bring back the loveliness to our generation that we as women bring. **WE ARE FIERCELY FEMININE!**

Our **luxury skin care** line has been created with the most exquisite natural ingredients **FIT FOR A QUEEN**. We understand that you deserve the best quality skin care, made with a whole lot of LOVE.. Made with **NON-TOXIC** ingredients, our line is sulfate, gluten, and paraben free, vegan and eco-friendly.
