

# Beauty Manifesto

## TODAY I WILL

Use my LIPS to boldly declare God's truth  
Focus my EYES to delight in the beauty of God's creation  
Attune my EARS to attentively listen for God's direction  
Use my HANDS to tenderly serve those in need  
Use my MIND to meditate on God's ways  
Use my FEET to pursue righteousness & walk out my purpose  
Open my HEART to love God passionately and fully trust in Him.

## TODAY I WILL BE INTENTIONAL TO

Seek and pursue lady wisdom as my best friend  
Speak & act graciously reflecting God's character  
Align my thoughts with God's promises  
Take care of my body recognizing that it is God's holy temple  
Pause frequently to meditate on God's goodness.

## LORD, THANK YOU BECAUSE

I am fearfully and wonderfully made.  
I am unconditionally loved by you.  
You are working all things together for my good.  
My identity is in You.  
When I am in doubt, You are my Truth.  
When I feel lost, You are my Way.  
When I am weak, you are my strength.  
You are with me all the days of my Life.
