President's Message
Jason Platt, Texas

Dear Membership,

I would like to start by saying what an honor it has been to serve this club on the Board for the past 14 years. During that time, I have had the opportunity to witness a tremendous amount of growth within our club, as well as some difficult times and challenges along the way.

One of the greatest rewards of being involved has been meeting so many wonderful breeders from across the United States and Canada. Many of those people have become more than fellow breeders—they have become good friends, and for that I am truly grateful.

Our breed and our club have certainly changed over the years, and I believe many of those changes have been for the better. It has been especially rewarding to see more of our members and breeders achieving BIS wins and receiving recognition throughout the country.

The past nine months have certainly been some of the most difficult times our club has experienced. Differences of opinion have led to disagreements and attacks against the club and members of the Board. While healthy discussion and different viewpoints are important, it becomes difficult to focus on the work that needs to be done for the club when so much time and energy is spent on one particular issue.

As I step away from the Board, I want to sincerely thank the membership for allowing me the opportunity to serve for so many years. I am proud of the time I have given to this club and grateful for the friendships, experiences, and memories that I will take with me.

Please join me in welcoming and supporting our new Board of Directors. I know they have the best interests of the club and its membership at heart, and I wish them nothing but success in the years ahead.

Good luck to everyone at Convention and at the shows throughout the year. I wish you all the very best, both in and out of the ring, and I hope to see many of you along the way.

Thank you for 14 wonderful years.

Jason

Vice President's Message - Stephane Nadeau, Canada

Hello from Canada!

I hope everyone had a great summer and managed to keep their rabbits cool during what has been a particularly hot one. I also hope many of you are planning to attend the National Convention in Reno. It should be a great event! Reno always puts on a very well-run show, and there is certainly plenty to see and do in the area.

Summer here in Canada was quite hot, so we have been fairly light on our summer breedings because of the temperatures. Now that things are starting to cool down, we should begin breeding again and getting ready for the upcoming show season.

We have had several people reach out about rabbits for Convention. Unfortunately, we will not be showing this year, as flying rabbits into Reno is extremely challenging for us. We have no direct flights and would need to take three different flights to get there, which makes travelling with rabbits very difficult. We will, however, be at Convention and look forward to supporting everyone who will be attending, catching up with old friends, and enjoying the show.

I also want to congratulate all of the new officers who will be joining the Board at Convention. I would equally like to thank everyone who put their name forward and ran for a position but was not elected. Getting people to volunteer their time and become involved in the Club is always a challenge, so it is exciting to see new individuals stepping forward and wanting to contribute.

New faces bring new ideas, new energy, and different perspectives, and that is important for the continued growth and success of our Club. I look forward to seeing what this new group can accomplish while continuing to build on the work of those who have served before them.

Safe travels to everyone heading to Reno, and I look forward to seeing many of you at Convention!

Secretary/ Treasurer Dave Cardinal - Wisconsin

Hi Everyone,

As fall approaches, the ARBA Convention in Reno is just around the corner. Hopefully, this extended stretch of hot weather will cool down soon and give our rabbits plenty of time to finish their coats for this important event.

Good luck to everyone attending! Let's make a strong effort to support our breed and club by having a great turnout of Californian breeders and exhibitors. It would be wonderful to set a record for Californian participation!

Please note that the National Californian Meeting was accidentally left out of the show catalog. However, the date, time, and location are printed in this issue, so please make plans to attend. Your participation and input are important to the future of our club.

The National Californian Banquet information is also included in this issue. The Board has approved a special reduced price of \$25 for Youth members, rather than the regular \$55 cost. We hope this will allow more of our young members to participate and enjoy the evening with everyone.

Also included in this issue are the proposed Constitution and Bylaws changes recommended by the Board. Please take the time to read through each proposed change before Convention. We will be voting on each item during the National Californian Open Meeting.

Finally, the Club has an updated logo, which has been approved by the Board. Please take a moment to thank Sheryl Sparrgove for bringing forward the idea and helping give our club a fresh new look.

The club needs the support and involvement of its membership now more than ever. Please make the time to attend Convention, participate in the meetings, and support the future of the Californian breed.

I look forward to seeing everyone in Reno!

Best regards,
David Cardinal

Hi everyone! Hope life is going well .

Here in Central Wisconsin, we've been in a bit of a drought and some of the corn is really stressed, but the temps have been tolerable . The night before last we got down to 39 degrees. I'm writing this on the last day of voting and hope everyone got their ballot in.

Kevin Buttles and I recently attended a shown Fergus Falls Minnesota. It was the Lakes Country Hoppers first show after the previous club was abruptly shut down and all the equipment sold off without any input from the membership by the President and board. Luckily the previous club had bought airline tickets for many of the judges, and had bids that they agreed to honor this is the only way the new club was able to get started. A huge shoutout to all the help received from other club members and being able to use their equipment to make it happen. The show was a lot of fun a quite successful . Kevin and Cherry Buttles were able to get a BIS with their White Rex doe. There was a good showing of Cals, but no one really had great fur to compete with some of the other breeds.

Soon the show season will again be pretty busy for a while with the Wisconsin state convention and several other shows coming up here in the next month with the Minnesota state convention coming soon as well, I would like to encourage you all to attend if you could, we love the extra competition and getting to see our out of state friends.

Keep those cages full take care.

Director Megan Redshaw – Missouri

Hello from Missouri!

The Missouri State Fair is all done, and it was certainly a warm one! There were many top-notch Californian breeders in attendance, making for a great showing of the breed. Congratulations to Kayla Britton on her Overall Best in Show win with her Junior Californian Doe! Congratulations also to Sybil Heimer on winning 4-H Best in Show with her Californian Senior Doe. **What wonderful accomplishments!**

The weather has been hot and humid, which has made it difficult to keep the rabbits cool and comfortable. I am definitely looking forward to some cooler weather, hopefully coming soon!

I encourage everyone to take some time to look through the proposed Constitution changes being published in this newsletter. Your approval is needed for these changes to be made, so please review them carefully.

I am not sure if I will be able to make it to Convention in Reno this year, but for those who are attending, good luck and safe travels! I hope everyone has a wonderful time. As always, if you have any questions or concerns, please feel free to reach out to me.

Until next time, stay cool and happy showing!

Director David Klindt - Iowa

Hello again from Iowa!

It's been a very busy summer here between rabbit shows for me, sheep and cattle sales for my son, and getting ready for my grandpa's antique tractor auction coming up in October. It's been nonstop on the go.

As I'm writing this article I just got home from the Iowa State Fair, which we lucked out with almost perfect weather for this time of the year. Because that building can get really hot if the temperature is high. This year the show was smaller than usual, around 500 head, but it was very competitive and I was fortunate enough to win Best 6 class with a Cal.

It's going to be a very busy fall also with our state convention coming up, then at the end of the month, we will all be heading to Reno for National Convention. Hopefully, many of you will be able to make the trip out there. I know when I showed at the West Coast Classic a few years ago, it was a great show and ran very well. I'm sure it will be this time also. Be sure to bring a raffle prize item along for the Convention booth if you're able to. I know most of your vehicles will be full to the brim. Keep an eye out for when entries are due, I know that date can go by in a hurry if you're not paying attention.

Anyone who has any questions feel free to contact me otherwise see you all at convention.

Director Wayne Dell - Illinois

Man, has it been hot here!

I hope everyone is doing their best to keep the barns and rabbits as cool and comfortable as possible during this hot weather.

I would like to thank everyone who participated in the Illini Classic at the Illinois State Fair. It was great to see the support for the show and our breeds. Congratulations to all of the winning Californian and Mini Californian exhibitors!

I'm sorry I wasn't able to be there this year. I took a fall at work and injured my right knee. As I write this, I'm just getting back up on two feet and hoping to be back on the mend soon.

In this edition, please take some time to review the proposed Constitution and Bylaws changes that have been included. Your involvement and input are important to the future of our club.

I would also like to welcome the new members of the Board of Directors. I wish them the very best and look forward to seeing what they can accomplish for the club and its membership.

Finally, I want to sincerely thank the membership for giving me the opportunity to serve on the Board. I have truly appreciated the time, support, and friendships along the way.

Stay cool, good luck at the upcoming shows, and I hope to see everyone soon!

Thank you,

Wayne Dell

One for the Record Books: The Next Chapter

The Missouri State Fair was one for the record books for Kaela Britton and her family, as days of hard work, dedication, and exceptional rabbits came together to create an unforgettable week in the show ring.

Kaela was incredibly blessed to be awarded Overall Grand Champion Market Meat Pen at the Missouri State Fair under ARBA judges Mike Avesing and David Kroenke. But that was only the beginning of an incredible run.

On Day 1, Kaela captured Best in Show in the FFA Youth Rabbit Show with her Californian 6/8 Doe, MKQ60, under judge Mike Avesing.

The excitement continued into Day 2, when Travis, Jodi, Kaela, and Tanner Britton had an outstanding showing. Their Junior Californian Doe, MMK62, was named Best 6 Class Rabbit, while their Mini Californian Senior Doe, GA60, earned Best 4 Class Rabbit. Their 6 Class Californian then went on to take the ultimate honor, being named Best in Show.

On Day 3, the Britton family continued their winning streak, taking Grand Champion, Reserve Champion, 3rd, and 4th Place Meat Pens, as well as Grand Champion, Reserve Champion, 3rd, and 4th Place Single Fryers.

And then came the moment that truly made the week unforgettable.

The 4-H Best in Show Rabbit, shown by Sybil Heimer with her Californian Senior Doe, was put head-to-head against Kaela's FFA Best in Show Rabbit to determine the Overall Best in Show. In the final showdown, Kaela Britton and her Californian Doe came out on top, earning the title of Best of the Best in Show.

From the first day in the FFA show to the final competition for Overall Best in Show, Kaela and the Britton family demonstrated what dedication, preparation, and a love for raising and showing rabbits can accomplish.

It was more than a successful week at the Missouri State Fair. It was a milestone, a memory, and truly one for the record books.
