President's Message - Jason Platt, Texas

Hello everyone from Texas!

With spring upon us, I hope everyone is enjoying a season full of babies and boxes filled with BOB winners. As our fair season begins to slow down, I can say I've had another good year, just barely enough babies to cover my orders!

Over the past five to six years, we've unfortunately lost some very good breeders due to life changes or those who have passed on. As breeders, we all do our best to promote this hobby so the next generation can step in and continue as future Cal breeders. Through my work, I have the opportunity to visit with a lot of young people, FFA teachers, and many 4-H leaders. I truly believe these kids have the interest and passion to keep our hobby going strong.

Like many organizations, our club has had to make some changes to keep moving forward. Price increases and rising costs are a reality of life, and more adjustments may be coming. That said, the board of directors has made significant improvements and is working hard to build a strong future for our membership. While not everyone may agree with every decision, progress often comes with a cost.

We will be holding an election this year. If you're interested in serving on the board, please reach out to Dave Cardinal to obtain a petition.

In closing, with summer just around the corner, be sure to keep those Cals and Mini Cals cool. Wishing everyone a great season ahead!

Yours truly, Jason

Vice President's Message - Stephane Nadeau, Canada

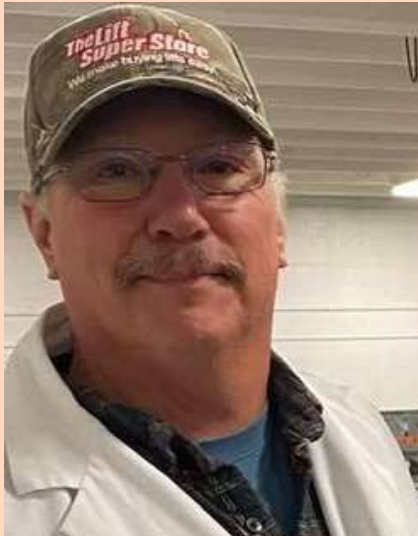

Hello everyone!

Hope all of you are planning on attending the Nationals in Kansas in a few weeks. I have to admit I am super excited to attend this year, we have not had the chance to show in Kansas for a very long time. It will also be history in the making as this will also be the very first nationals for the Mini Californians. It will be some exciting times to have both nationals at the same time. Having the Mini Cals approved last fall at convention will definitely give and extra boost to our great club. I hope with the addition of this new breed we get more people in the club that want to get involved. We are always looking for additional help, would be great to see some new faces in the club and bring some much needed new energy. This will also have an impact on numbers which will be nice to see. The mini Cals has sure got a ton of attention in the last few months, many Cal breeders such as myself have been raising them for some time and I must admit they are really cool!

We have seen lots of comments on social media on the change in price for membership and sanctions. I feel I need to spend a little bit of time explaining this as several made comments without having the overall picture. The board does not take decision like this lightly, we do not want to make changes that would damage the club in any way. We need to remember that for the last several years we have been in the red, this year for the first time in a very long time we are finally in the black. This does not mean that it is time to drop everything and be careless; we have introduced a new breed that will need to invest some funds to bring our club into a more modern feel for our members. We have the mini Cals and many are asking for information on them but there is very little info available to be shared...we have members asking for the website to be updated and be more useful, we have demands to buy merchandise but have nowhere to sell it, we have been asked to have a ease of access to renew membership but have nothing that is really connected to our members. One of the things we need to look at over the next few months is to update our website to a modern site where all information on Californians and mini Cals alike can be displayed. We need to have this site able to host a web store, directory for breeders, video capabilities where videos can be displayed along with articles and much more. We have relied on members to host these sites for the past several years and we have always failed at this miserably. We have a new guidebook that we have to produce in the next few months as well, yes this can be digital with a few printed exceptions but all of this does not come free. We will be faced with hosting fees, assembly fees and much more. We have not raised prices in a multitude of years and as much as we hate to do it it is necessary for operation cost. Unfortunately some members including our secretary has been targeted for being responsible for these increases and this is simply non sense, the choice to raise these cost was a board decision for the best interest of the club period. We have been elected to look after the best interest of our club and this is exactly what each and every board member has done and will continue to do.

I really hope to see as many of you in a few weeks at the nationals and as always I am here to serve the membership, if there are any questions or preoccupations please do not hesitate to reach out to me

Stephane Nadeau

Secretary/ Treasurer Dave Cardinal - Wisconsin

Dear Members,

I hope you are all doing well and enjoying the show season.

As many of you are aware, we have officially welcomed the Mini Californian into the club. With the addition of a second breed, we have seen an increase in administrative requirements and costs. Consequently, sanction fees have increased by \$5.00 for both Open and Youth sanctions. This adjustment is necessary to cover the additional workload for our sweepstakes coordinator and to support the expanded awards for the ARBA Convention and Sweepstakes.

Please start preparing your Californians and Mini Californians for the upcoming Spring Nationals in Kansas. This marks a historic milestone as the first National for the Mini Californian, meaning specialty shows will now be selecting a Best in Show winner between the two breeds.

Regarding the newsletter, thank you to everyone who has updated their email addresses to ensure successful delivery. While the newsletter is now electronic, there are still production costs involved. It remains an excellent venue for advertising, so I encourage you to submit your ads today to take advantage of this reach.

I also want to express my appreciation for the improved communication regarding sanctions and PayPal payments. Receiving the email notification and payment simultaneously makes the process much more efficient and eliminates the need for follow-up. Please continue to ensure that all written information is clear and legible to assist with processing.

Finally, the Board is working hard to coordinate the 2026 ARBA Convention in Reno. If you would like to volunteer for this event, please contact our Breed Superintendent, Jon Blough, to get involved.

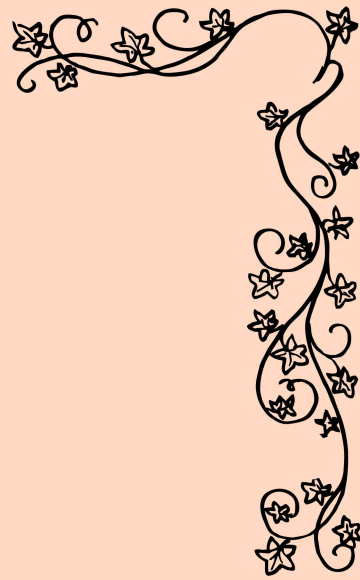

See you in the Spring!

Best regards,

Director Rusty Westhoff, Tennessee

Hello Everyone,

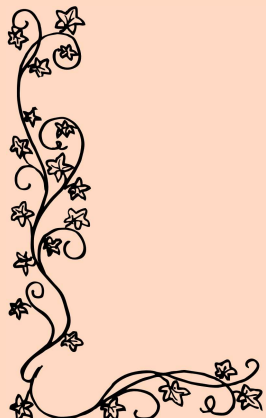

Time certainly has a way of sneaking up on us, doesn't it? It's already time to start making plans to attend the ARBA Convention in Reno, Nevada. As always, the CRCS team, under the capable leadership of Randy Shumaker, never fails to put on an exceptional event. Each year, they manage to raise the bar with new and exciting implementations, and I can't wait to see what they have in store for us this year. I hope everyone has their nest boxes full and is busy planning their Jr. breedings.

I also hope that everyone has made arrangements to attend the National California Show on April 11th at the Kansas State Fairgrounds in Hutcheson, Kansas. We have some incredible Judges, Hall of Famer Mike Avesing and Derek Tunland for Open, and Jim Effing for the Youth. This event promises to be even more special as it will be the first time that Mini Californians are showcased. Personally, I am looking forward to showing a few Mini Cals, although most of mine will be breeding or having litters in preparation for Reno.

On another note, the NCRSC Board of Directors has been actively discussing membership fees, sanction fees, and other important matters. If you have any ideas or concerns, please don't hesitate to reach out to the Board Member you feel most comfortable with. And remember this: "Before you complain, have you volunteered yet?" Volunteering is a great way to contribute and ensure that everyone can have fun without relying on a few dedicated individuals. If you're wondering how you can pitch in, just ask, "What can I do to help?"

Let's work together and make these events a huge success!

Rusty

Director Wayne Dell, Illinois

Hello from Southern Illinois,

Weather here has been fair, getting some Doe's bred.

Cage and supply business has been booming for me this last month. Never an idle moment!

The sanctions applied for and the returning of reports to Dave have been a topic the last several times we have met. Our guidelines are not that difficult, please follow them.

Don't have much else to add but have made plans to attend Nationals in Hutchison and my room is booked for Convention this fall in Reno!

See y'all soon

Director, Wayne Dell

wayne.dell72@gmail.com

Director Dave Klindt, Iowa

I hope everyone's rabbits came through the winter in great shape. With the unseasonably warm weather we've had here in Iowa, spring is already off to a strong start, and I'm seeing a good number of litters arriving early.

By the time you're reading this, the Spring National in Kansas will already be behind us. Hopefully many of you were able to attend—it's always a fantastic venue, and the host club does an outstanding job every time.

Mini Cals are off to an exciting start this year, and it will be great to see them competing at their first Spring National as a recognized breed. They've already made an impressive showing, earning several BIS wins.

While you're at Nationals, please be sure to thank Sheryl for all the time and effort she puts into our newsletter. It's a demanding and often thankless job, and her dedication is truly appreciated.

Until next time, best of luck to everyone, and I look forward to seeing you soon.

Director Dave Rehwinkle, Wisconsin

Hello everyone; I hope you are all doing well.

Here in Wisconsin it's slow time of year for shows. The Badger show in Jefferson and Wisconsin Californian specialty on Sunday were a great success. Unfortunately I wasn't able to attend. A shout out to Tara Matusiewicz for all her work putting it together.

The Wisconsin Cal club will be putting on another specialty show June 6 as part of the Fox Valley show in Fondulac Wi, it would be great to see you all there.

Unfortunately I won't be able to attend the Nationals in Kansas.

I want to wish you all the best of luck, I'm sure it will be a great time.

Take care Dave

Letter from the Editor

Members,

I don't know about you, but I am so ready for Spring to be here. The wide temperature swings, the snow, ice, wind, tornados, and server storms have made this winter one for the memory books. I am ready for the warm days and songbirds singing.

Cal Nationals will soon be upon us, and I hope to see many of you there. I know that Shirley and her team have been working hard on putting on a great Nationals and they look forward to your support! If you are planning on attending and would like to participate in the Friday night BBQ or the Saturday evening banquet, please reach out to me with your name and head count. Shirley will need this for the caterer.

For most of the newsletters that I have made for the club, I have searched social media to put pictures of Cal Wins to share to the membership. There are many members who have had wins that I am not aware of that deserve the recognition in the newsletter. If you win a Best In Show, Reserve In Show or Best 6 Class, please send me a picture with your name, date of the show, show name and location of the show so I may put it in the newsletter. It doesn't matter if you live in the southern, easters, western, northern or midwest states, you should be proud of your accomplishments and share them. Please email them to me at CalClubNewsletter@outlook.com

Until the next newsletter,

Take care & laugh every day!

WE WANT YOUR AD!

Don't Have
